Coron, Palawan

**FROM :** FT I/ Green Economy Model Assistant Focal

**SUBJECT :** **SUBMISSION OF REPORT IN THE CONDUCTED INFORMATION EDUCATION AND COMMUNICATION CAMPAIGN (IEC) ON PROPER WASTE DISPOSAL UNDER GREEN ECONOMY MODEL IMPLEMENTATION**

Pursuant to the target IEC activity of Green Economy Model (GEM), please be informed that CENRO Coron GEM team conducted an information, education, and communication campaign about proper waste disposal at Barangay Poblacion 2, Coron, Palawan, on November 15, 2022

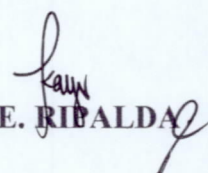

Said activity was actively participated by twenty-seven (27) individuals composed of volunteers, officials and staffs of BLGU from Bgy. Poblacion 2, and CENRO personnel.

During the activity, brief background of GEM were discussed, as well as the solid waste management. Then participants were asked to discuss listed attitudes and practices regarding waste disposal from their households. Some of the noteworthy practices were the use of eco-bags when going to the market, reusing of plastics since in some cases they use plastic, segregation of waste into biodegradable and non-biodegradable, recycling of glass bottles, and collection of plastic bottles for them to be able to participate in "basuraffle" of the LGU program to help reduce the litter. The barangay officials are actively participating and doing coastal clean-up activities.

The group discussed the negative impact of improper waste disposal on our environment, particularly single-use plastic, as well as the importance of waste segregation at the source and attitudes toward proper waste disposal. Further, commending efforts or initiatives of local officials in addressing their issues on solid waste.

Relevant photos and attendance are attached.

For information reference and record.
