Land Management Office, DENR MIMAROPA
Roxas Boulevard Manila

Sir:

As background and a few months back I made a request from your Office for the lost copy of Technical Description of Survey Plan PD-04-204779, Lot 6B, Portion of Lot 6, Block 2, PSD-13692 including the SEPIA copy of Lot 6, Block -2, Psd-13692 and was granted.

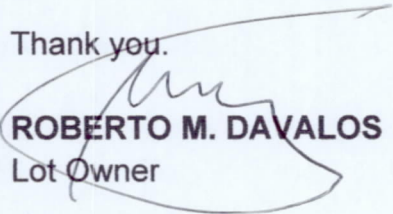

This is to effect the partition and titling of the following;

Lot Owner	Lot Number	Area, M2	PSD No.
Romulo M. Davalos married to Angelita M. Davalos	Lot 6-A	99.5	Psd-04-204779
Roberto M. Davalos married to Ilanna Kay Davalos	Lot 6-B	200	Psd-04-204779

However, the effect the titling, the Register of Deeds at Calapan City, Or. Mindoro still requires the Technical Description of the mother title of under T-11531 Lot 6, Block -2, Psd-13692 which once again I am now requesting from your office.

Attached is the official copy of T-11531 as your reference.

Thank you.
