## REFRESHER TRAINING ON WILDLIFE ENFORCEMENT OFFICER REPORT

A Refresher Training on Wildlife Enforcement Officer was conducted by Mindoro Biodiversity Conservation Foundation Inc. in partnership with the Community Environment and Natural Resources Office [CENRO] and with the Municipal Environment and Natural Resources Office [MENRO] held on November 4, 2022 at barangay Bayanan, Baco, Oriental Mindoro. The said training was participated by a total of 30 wildlife enforcement officers [WEOs] from barangay Bayanan and Lantuyang in Baco.

The objectives of the refresher training is to take WEO members back to basics so they can review fundamentals they may have forgotten and upskill on new information they may be unaware of and pursuant to the requirements to renew their deputation as Wildlife Enforcement Officers.

Lectures and active discussions took place during the morning session, where Forester II Leonida A. Mindaros explained the State of the Philippine Forest and Duties of WEOs, Wildlife Act (RA 9147) by EMS I Rayson Alfante, Revised Forestry Code of the Philippines (PD 705) by Atty. Sherlyn A. Layesa.

And in the afternoon session Atty. Sherlyn A. Layesa discussed the Chainsaw Act (RA 9175), followed by Cutting permits guidelines, requirements and sample of issued cutting permit by Forester I Jessilyn S. Villanueva, Mineral Resources Rules & Regulations and Mining Permit/Tenement Processing under R.A. 7942 (Phil. Mining Act of 1995) by Science Research Specialist II Marie Louise C. Binwag

After all the topics were discussed, there was an open forum where the participants had the opportunity to ask questions and share their views on the topics discussed. All questions, issues raised have been well responded by the resource speakers from the DENR.

When the participants do not have anymore questions or concern, the training ended with a closing message given by Juan Valdez from MBCFI who thanked all those involved in making the training productive particularly on the major contributions by the DENR as resource persons.

September 22, 2020	Pagpapatrolya	Sityo Mahogong, Buwangen barangay Lantuyang, Baco, Oriental Mindoro	Bago pa ang nasabing patrolya ay nagsagawa ng pagpupulong ang mga opisyaes ng SARIG noong ika-21 ng Setyembre sa bahay ni pangulong Ramon Manggol kung saan ay pinag-usapan kung sino-sino ang dadalo at saang lugar gagawin ang patrolya. Hanggang sa huli ay pinagkasunduan na dadalo ang 12 bantay gubat at sa sityo mahogong at buwangen isasagawa ang patrolya	Sinabi ni Jun Valdez ng MBCFI na wag lang itali sa bantay gubat ang kalahok sa patrolya kung hindi sa lahat na kasapi na may pagnanais na sumama sa nasabing gawain at ito naman ay sinang-ayunan ng mga dumalo sa pulong. At sa hapon din nayon ay binahay-bahay ang mga kasapi para sabihan sa nasabing gawain	Ma deputize din ang labing anim pang kasapi na hindi pa nadedeputize dahil may pag-aalinlangan silang sumama sa patrolya
			Sa ganap na alas singko medya umaga ng Setyembre 22, 2020 ay lumakad na ang grupo para sa patrolya kung saan nagsimula sa sityo Mahogong na dinaluhan ito ng 12 na kasapi ng bantay gubat, sa bukana pa	Bawat kapit ng alimatik ay tinatanggal agad  Hindi nakausap ang mga may-ari ng uling dahil	Ang patrolya ay dapat itaon sa maiinit na panahon para iwas sa maraming alimatik  Maghanap ng pondo o ahensiya na
