Subject: Lot 127... identical lot 9370
Area 6.7957 (see attached application for free patent)

MADAM;

Greetings to you a blessed season of the year 2022.

As an addendum to the letter of inquiries I submitted awhile ago address to your honorable office, I would like to request for verification of the subject lot 127 identical to lot 9370 area 6.7957 hectares. And if possible also include the progress of its development process. As we understand, the approved of said area is less than 10 hectares, therefore its within the jurisdiction of DENR Regional Director.

More so, this lot 127/9370 was applied through Free patent by the applicant, HERMOGENES ACOSTA on September 1986. The said application was received by the local DENR office Panto Panto city on January 23, 1987.

I would greatly appreciate your benevolent assistance to this request.

More power to you.

Respectfully yours,

Alfonso Realista
