MEMORANDUM

FOR : The OIC, PENR Officer
THRU : The OIC, Management Services Division
FROM : Forester I/PENRO Information Officer
SUBJECT : REPORT ON THE CELEBRATION OF WORLD OCEANS DAY AND CORAL TRIANGLE DAY.

In Local Celebration of World Oceans Day and Coral Triangle Day. The Provincial Environment and Natural Resources Office-Marinduque conducted Nipa Planting Activity at Brgy. Laon, Mogpog, Marinduque on June 9, 2022.

This activity was participated by the Philippine National Police (PNP), Marinduque State College (MSC) and Barangay Local Government Unit (BLGU) of Laon, Mogpog, Marinduque.

There were one hundred fifty (150) seedlings of Nipa (*Nypa fruticans*) that were planted in Brgy. Laon, Mogpog, Marinduque in the National Greening Program (NGP) area.

Annually, World Oceans Day (WOD) and Coral Triangle Day (CT Day) are celebrated every 8th and 9th of June respectively, to shed light on ocean conservation and the numerous ways to protect and conserve our coastal and marine resources.

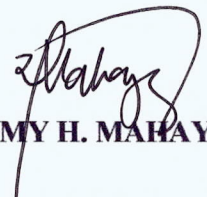

This year, the WOD adopts the theme "Revitalization: Collective Action for the Oceans". The theme emphasizes the need to work together to create balance with the ocean that no longer depletes its resources but rather restores its vibrancy.

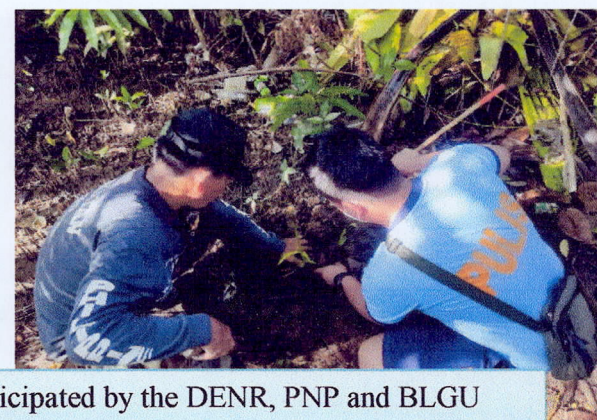

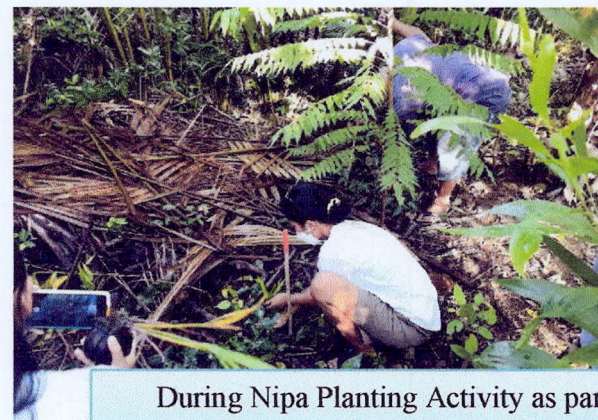

Likewise, the CT Day's theme and focus is on "Sustaining the Coral Triangle Ecosystem through Blue Economy". It highlights innovative solutions/actions being undertaken at the regional, national, and local levels by organizations, institutions, groups, communities, and individuals who are already involved in efforts towards the promotion and establishment of the economy and its initiatives.

Further, the safety protocols pursuant to the Inter-Agency Task Force for the Management and Emerging Infectious Diseases on COVID-19 were strictly followed and implemented during the activity.

Attached are pictures during the activity.

For information and record.
