SUBJECT : **SUBMISSION OF REPORT ON SOCIAL MARKETING AND MOBILIZATION/CEPA RE: CELEBRATION OF MONTH OF THE OCEAN (MOO).**

In compliance with our CY 2022 target activity on Social Marketing and Mobilization for the month of May CY 2022 under the Coastal Resources and Foreshore Management Unit re: celebration of Month of the Ocean (MOO), respectfully submitted is the accomplishment report regarding the above-cited subject.

In line with the Presidential Proclamation No. 57, series of 1999 declaring May as *"Month of the Ocean"*, the PENRO Marinduque celebrated the Month of the Ocean held on May 20, 2022. For this year's MOO, the theme adopted the UNESCO's Ocean Decade Challenge 2 *"Protect and Restore Ecosystem Biodiversity"*, which is anchored in the United Nations Decade of the Ocean Science for Sustainable Development (2021-2030) message, *"The Science We Need for the Ocean We Want"*. This is to emphasize the significance of conservation, protection and sustainable management of coastal and marine resources.

The activity was conducted in collaboration with four (4) barangays namely, Barangays Banuyo and Antipolo in Gasan and Daykitin and Caigangan in Buenavista. Those who participated were LGU Officials and their constituents, Philippine National Police (PNP) and Philippine Army (PA).

The activity started at around 6:30 in the morning. The DENR-PENRO Marinduque spearheaded the conduct of Coastal Clean-Up and afterwards Communication Education and Public Awareness (CEPA) regarding Ecological Solid Waste Management (R.A. 9003) and Gender and Development followed. The topics discussed comprised of:

 - Kind of solid waste
 - Prohibition and corresponding punishments
 - Conceptual Framework of RA 9003
- b. Gender and Development (GAD)
 - What is RA 9710
