This report is submitted pursuant to Department Administrative Order 97-32:

WHAT

This is the final report on the administrative adjudication of the forty-five (45) pieces of lumber of Ipil species equivalent to two hundred twenty-nine point ninety-nine (229.99) board feet.

WHEN

The interception/recovery took place last November 6, 2020 and the corresponding report was submitted and received in the Office on November 6, 2020 (Annex A to A₁) plus the geo-tagged pictures (Annex B), Apprehension Receipt (Annex C to C₂). The report was also submitted to the Regional Executive Director thru Provincial Environment and Natural Resource Officer dated November 11, 2020 (Annex D).

WHERE

The forest products were recovered in Sitio Omao, Barangay Bagong Bayan, El Nido, Palawan and brought to Forest Product Monitoring Station II at Forest Product Monitoring Station (FPMS) II at Bagong Bayan, El Nido, Palawan.

WHO

The so-called Apprehension Receipts bear no name of probable culprits. The operating enforcers were personnel from the Forest Product Monitoring Station (FPMS II) composed of Forest Ranger Gerald J. Namoc, Forest Technician II Bienvenido F. Veguilla III and ENTMRPA Park Rangers. They were assisted by the BLGU of Bagong Bayan headed by Hon. Punong Barangay Ronilo Delos Santos.

WHY

The subject items of forest products were taken and seized for failure by anybody to claim with valid documents despite invitation in public notice posted in three consecutive weeks.

HOW

The FPMS II personnel and the Barangay Officials of Bagong Bayan conducted joint operation regarding the received information of hidden fresh Ipil lumber piled along the Provincial Road of So. Omas, Bgy. Bagong Bayan and ready for pick-up by a close van. The team and BLGU immediately responded and found the said items. They stayed for a night to monitor the possible hauling of the lumber but consequently failed to intercept the violator. Without any claimant around, they decided to apprehend the lumber and brought to the Forest Product Monitoring Station (FPMS) II at Bagong Bayan, El Nido, Palawan.

Adjudication procedure

Seizure Order (Annex E to E₂) and Seizure Receipt (Annex F) were facilitated on November 11, 2020 in order to acquire jurisdiction over the intercepted items. The seized items have an estimated value of eighteen thousand three hundred ninety-four (18,394.00) pesos. Public notices (Pabatid sa Publiko) were posted consecutively every week on November 11, 18, and November 25, 2020 (Annexes G to G₂). The Certification of the Records Officer was then issued upon completion of the posting of Pabatid to the Public (Annex H).

In the absence of claimant, the undersigned opted to adjudicate the issue on the basis of the report submitted. This Office sent invitation to Forest Ranger Gerald J. Namoc, Forest Technician II Bienvenido F. Veguilla III et. al, Forester I Michael L. Marasigan and Punong Barangay Ronilo G. Delos Santos of Bagong Bayan, El Nido, Palawan to a hearing on 11th day of December, 2020 at 10:00 in the morning (Annex I to I₂).

The examination pushed through as evidenced by the Attendance Sheet (Annex J). Preliminaries include attendance check while the IEC presentation was set aside since all of the attendees were personnel from this Office.

On the examination, *Forester Marasigan* directly asked if follow-up operation was conducted by the enforcement team after the incident. *Forest Ranger Namoc* answered that after the training in El Nido on November 5, he went straight to the station; that the three (3) barangay council was already there and informed them about the lumber piled somewhere in Omas. And accordingly, a suspected close van will pick-up those items. The team immediately proceeded to the area in found the lumber but waited till night to catch the possible offender and that they accidentally noticed a suspicious man in the same area. They identified it as certain Edgar Galan, a resident of Bagong Bayan, El Nido, Palawan. .

Marasigan then questioned the apprehending team the possible involvement of Galan in illegal activities and the identity of possible suspects behind the close van issue. *Namoc* certainly answered that based from the information they gathered, Galan owned a chainsaw; that he was engaged in illegal transport of the lumber being the supplier and that he had limited knowledge on the allegations of closed van being used in the transport of lumber.

Hearing Officer lasted the hearing on a comment that Mr. Galan will be put in watch list of the Office and advised the enforcement team to get further information on the matter related to closed van issue from the BLGU of Bagong Bayan. He also congratulated the team and the Barangay Official for having retrieved the forest products and commented that it might be a warning to whoever the possible violator is.

Lastly, *Namoc* mentioned that the absence of the BLGU was maybe due to transaction at Puerto Princesa City related to the Barangay Official wages.

The examination was then promptly concluded (Annex K to K₃).

Other matter

The Barangay Officials arrived late in the hearing thus names appeared only in the attendance sheet.

Conclusion and recommendation

The items listed down in the Seizure Order and Seizure Receipt are deemed abandoned and the items seized are hereby recommended for the issuance of Order of Forfeiture.

Hearing Officer: Magandang umaga sa lahat. Ako po si Mariano P. Lilang Jr. Tayo po ay magkakaroon ng pagdinig ng mga nahuli na forest products. So ang details po ay 45 pcs of fresh Ipil lumber with various sizes with a board feet of 229.99 board feet cite in the apprehension receipt as abandon, nangyari ito noong November 6, 2020 about 6:08 AM so nangyari ito sa Sitio Omao, Barangay Bagong Bayan, El Nido, Palawan at ang mga items na ito ay nakadeposit sa FPMS II, Bagong Bayan, El Nido, Palawan. So, ang mga responsible po nating mga tauhan na nakasabat nito ay Forester Gerald Namoc, FT II Bienvenido Veguilla III at ENTMRPA Park Rangers na sina Jerramel Tacob, Gaudencio Caver, Reynold Ortega kasama din nila ang Barangay Captain ng Bagong Bayan na si Hon. Ronilo Delos Santos with the 3 kagawads and 2 tanods, so medyo marami ang ating apprehending officers last time. Bakit na-aapprehend ito? Accordingly violation ng Section 77 of PD 705, kung paanong nangyari? There was an information na received by the FPMS II from a concerned citizen. There was a coordination to the Barangay Local Government Unit at nagkaroon sila ng operation that time nuh so ayun nagresulta sa apprehension. The report was submitted on November 6, 2020 signed by Forester Namoc and FT II Bienvenido Veguilla III. May I request Ma'am Cañette to review the attendance based on the letters that we sent.

Tinawag isa-isa ni Admin. Aide VI Dela Rosa ang mga pangalan na nasa attendance.

Hearing Officer: Despite the absence of the representative from the Barangay Local Government Units, the hearing will pushed through. So were having here Forester Marasigan as our Examiner then we are suspending or we are not anymore presenting the IEC material because we do not have guest. Anyway the forest product that we apprehend was reported as abandoned so wala tayong invited party dito. Now Im giving the time to Forester Marasigan to do his work to examination to Apprehending Officers, sir Mike.

For. Marasigan: Sa mga Apprehending Officers, nung ma-apprehend nyo yung mga kahoy na Ipil na yun, nagconduct ba kayo ng further investigation pagkatapos nung nangyaring pag-aapprehend na yun?

FR Namoc: Magandang umaga po sa ating lahat. Actually nung gabi na yan, November 5, kagagaling ko lang ng training sa Environmental Law sa El Nido, pagdating ko ng Bagong Bayan andun po yung kagawad, so 3 kagawad yung andun sabi ko bakit may ano dito? Yun nagsabi si Reynold na ayun nga may info na galing sa kanila na may nakatambak na kahoy na Ipil. Sa madaling-salita gusto nilang ma-caught in the act yung tao. May suspetsa sila na may van na pumapasok doon so yun nga sabi ko sige magcondut tayo ng monitoring so pinuntahan namin yung area kasama yung Kapitan at saka yung kagawad and then pumunta kami doon sa area. Actually katabing kalsada lang po yun ng Provincial Road kung papunta ka ng Canique. Tininggnan namin so positive. Hindi muna namin kinuha inantay namin na kukuning ng kung sino man na violator na kukuha. So doon natulog kami ng magdamag. Pagdating ng 12 ng midnight, itong barangay official hindi pala kumain sabi nya "Sir uwi muna kami". Pag-uwi nila pagbalik kami nag-uwi din nagkape hindi na kaya ang antok eh uwi kami ng istasyon. Pagbalik namin yung pala yung violator andun sa waiting shed nagabantay din sa amin pero namukhaan namin pero syempre hindi man natin na-caught-in the act yun eh taga-dun. Pero sa amin hinala lang namin na sya ang suspect doon so na-identify nina kapitan at ng mga barangay official so pagkaumaga kinuha na namin yung mga kahoy kasi nga natunugan na kami na nag-aabang kami sa kanya. So, siguro ano yung pangalan ng taong yun?

FT II Veguilla: Galan

FR Namoc: Galan, si Edgar Galan. Yun ang nakita namin doon sa may waiting shed na nag-aabang.

For. Marasigan: Yang si Galan meron ba kayong ano na sumasama talaga sa illegal halimbawa sa Barangay, matunog ba ang pangalan na sumasama sa mga illegal. Yung kukunin nyo yung opinion ng mga Barangay Officials?

FR Namoc: Actually si Galan, ano yan sya, kung hindi ako nagkakamali may isa pa syang chainsaw ngayon kung may mga order sa kanya sya yung nagsusupply so sa madaling-salita yung hanapbuhay nya ganun talaga ang magtistis ng kahoy based dun sa mga impormasyon lang na makuha namin.

For. Marasigan: Eh yung sa van wala ba kayong suspesta kung sino yung

FR Namoc: Yung sa van naman hindi madetermine dahil hindi naman naaktuhan na may pumasok na van, yun ay hinala lang na may van na pumapasok siguro kung tatanungin natin yung mga Barangay Official baka may nakuha silang information dun sa ibang mga tao na may van na pumapasok doon pero naman mataymingan kung anong araw at anong oras.

For. Marasigan: Nasabi nyo na malapit sa kalsada meron bang mga bahay na pwede pagtanungan kung

FR Namoc: May bahay doon isang piraso pero yung sa bahay na andun na nakikita namin siguro wala syang alam doon. Kung titinggnan natin yung bahay doon parang ano yung bahay na yun dun?

FT II Veguilla: Parang iwanan ng ARB

FR Namoc: ARB parang imbakan ng mga fuel so wala syang alam about dun.

For. Marasigan: So yun lang sir ang tanong ko.

Hearing Officer: ARB kay kuwan to

FT II Veguilla: Dun sa may kanto sir sa may tulay dun sa baba meron silang galing dito sa Taytay na mga

"Annex K2"

FR Namoc: Fuel, mga diesel dun lang iniimbak.

Hearing Officer: Yun yung kinukunan natin ng fuel.

FR Namoc: Yun dun galing sir kay

Hearing Officer: Baylosis. Hindi kaya yung suspetsa natin yung van kanya rin?

FR Namoc: Hindi sir kasi maliit na van po yun siguro kung iano yung kahoy hindi magkasya. Parang size nya kasinghaba lang ng Multicab, yung Foton maliit lang yun.

Hearing Officer: Itong si Edgar Galan taga-saan?

FR Namoc: Taga-Bagong Bayan.

Hearing Officer: Bagong bayan. Saang waiting shed nyo sya nakita?

FR Namoc: Sa may tulay sir diba may kubo-kubo doon.

Hearing Officer: Yung papuntang Liminangcong.

FR Namoc: Hindi yung sa kabila. Yung sa may waiting shed dyan na kung naalala nyo nung maglock down nagkaroon sila ng check point doon.

Hearing Officer: Okay, I see.

FR Namoc: Kasi nung 12 ng gabi, umuwi kami ni Geb para magkape pagbalik namin nakaangkas ako sa kanya nung malapit na kami sa may bahay-bahay na yun sa may waiting shed, may nakadapang tao doon tapos yung motor nya pinahiga eh nailawan ng motor ni Geb malapit nakita eh. Sabi ko "Geb tao yun oh", parang si ano man ito ganito, ganun, deniscribe namin ay yun nga si ano nga yun. Tapos pagbalik namin nagharurot na papunta doon hinabol nya hindi nya nahabol, so yun po hanggang magdamag. Sabi ko kunin na natin yung kahoy kasi identified na tayo na nagbabantay tayo sa kanya.

Hearing Officer: Sige nuh. So hinabol mo pa sir Geb itong si Galan?

FT II Veguilla: Hindi na sir parang nahuli ko lang na papunta don.

Hearing Officer: Siguro pag mga ganun iwasan nyo ng maghabol-habol baka madisgrasya pa kayo.

FT II Veguilla: Hindi na kami naghabol sir parang inikutan ko lang din.

Hearing Officer: Delikado din na magkuwan pa kayo eh baka maya yung mga ganyan may armas din yan eh so safety first. Buo yung ating information yun nga lang wala tayong madidiin na suspect dito although may suspect tayo na merong isang Mr. Galan. Ilalagay po natin sya sa watchlist syempre kumuha din kayo ng further information from the Office of the Barangay Captain in so far as the container van is concerned. Kung meron man silang namataan at nakuha nila ang Plate Number although hindi pa din natin sila madidiin but meron tayong target na babantayan nuh. May mga information na ganun, okay so I congratulate the Apprehending Officers and the Barangay Local Government Unit for having retrieved these forest products at kahit papaano nakabigay tayo ng signal sa kanya na posibleng syang mahuli one time dito. Wala na ba?

FR Namoc: Sir may dagdag ako, siguro sir kaya hindi nakapunta dito yung mga Barangay Official kasi kanina pumunta yung kagawad sabi nya si Kapitan nasa Puerto nagwithdraw para sa kanilang sweldo. Siguro yun ang dahilan kaya hindi nakapunta dito.

Hearing Officer: Okay we will consider yung rason anyway ito ay abandon naman so pakitawid na lang kina Kapitan na tayo ay nagpapasalamat sa kanilang pakikipagtulungan sa atin about forest protection activities so just continue yung mabuting galaw ng FPMS II although hindi natin mazer-zero talaga yung mga activities na ganyan at least kahit papaano may impact naman tayo sa community hindi nila masasabing nagpapabaya tayo. With no more issues to tackle the hearing is adjourned.

Hearing ended at 10:31 in the morning.

(Barangay Officials arrived late).

I HEREBY CERTIFY THAT the statements above are true and correct to the best of my knowledge and belief.
