Sitio Aplaya, Malatgao Road  
Brgy. Malatgao, Narra, Palawan  
Cellphone No. 09123420588

Dear Mr. Santelices

Environmental greetings.

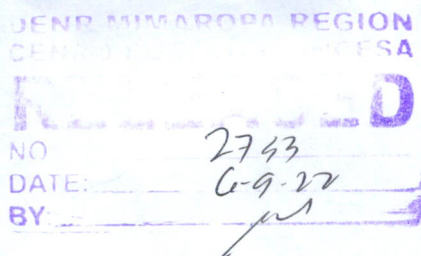

This pertains to the investigation conducted by representative from this Office together with Kagawad Marlon Balmores of Barangay Bacungan with your presence in an area you wish to apply for tenurial instrument situated in KM 16 to 18, Barangay Bacungan, Puerto Princesa City, Palawan.

Please be informed that the investigation report submitted by representative from this Office was forwarded to the Office of the Regional Executive Director (RED), DENR-MIMAROPA Regional Office per Memorandum dated December 3, 2021 for their information and further instruction on the matter.

Relative thereto and in compliance to the RED's instruction dated March 24, 2022, again, you are hereby informed that your application for SIFMA over the subject area is DENIED considering the said area is no longer needed for reforestation activity as it is densely vegetated (Section 4 of DAO No. 2004-30) and issuance of any tenurial instrument is prohibited based on the ECAN Map per Section 31 of Puerto Princesa City Ordinance No. 560.

We trust that you are properly informed.

Truly yours,

  
**PEDRO A. VELASCO**  
Development Management Officer-IV  
OIC-CENR Officer
