OFFICE OF THE MUNICIPAL MAYOR

July 4, 2022

LORMELYN E. CLAUDIO, CESO IV
Regional Executive Director
DENR MIMAROPA

Dear RED Claudio

Greetings of peace and prosperity!

The Local Government Unit of Puerto Galera is truly grateful for all the assistance your office has been extending to us, especially for the provision of lot, with a total area of 2,000 sq. meters, for the construction of the Wastewater Treatment Facility in Barangay San Isidro, this municipality. As provided for by the provision stated in the Memorandum of Agreement between the DENR and LGU Puerto Galera, the said area is intended solely for the construction of the aforementioned.

In this regard, our Municipal Government humbly requests your good office to allow us to use an additional parcel of lot from the DENR lot for the construction of a barangay chapel that has long been wished for by the community to develop consciousness of the religion and morality. And since Barangay San Isidro has been noted as a major part of the history of Christianity in the country, such project could be a great avenue to provide a religious aspect in the hospitality product of the town and to prove a valuable and integral part of the tourists and travelers' orientation as they leave their respective homes. We do believe that such could contribute much to our local tourism development.

We are truly hopeful for your favorable response to this great endeavor for our people and our community.

Thank you very much and more power.

For Puerto Galera,

ROCKY D. ILAGAN
Municipal Mayor
