Dear **RED CLAUDIO**:

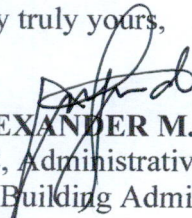

This is in reference with your request letter dated 8 July 2022 to use the space at the lobby for Project Public Assistance Information Center (PAIC).

Please be informed that this matter was discussed with EVP IGNACIO and grant your request to use the space at the lobby, provided that the power supply you will be using for the area will be connected to your office floor. We recommend you to install an electrical submeter for this matter.

The undersigned are writing on behalf of the NRDC due to the current leadership vacuum of 3<sup>rd</sup> level positions.
