Respectfully submitted is the Patrol Plan for the 3rd quarter of CENRO – Coron Lawin Team.

This patrol plan aims to be implemented and enforced within our area of jurisdiction to maximize the presence of our enforcement personnel which will serve as a deterrent to environmental offenders and other similar illegal activities may arise therein.

Above patrol plan was based on our previous Lawin monitoring and patrolling accomplishment within our Forest Conservation area (FCA).

These areas includes areas of Forestlands, watersheds, and mangroves. Same includes portions/areas of Busuanga Pasture Reserve (BPR) areas where prone of activities which needs regular monitoring thru an augmentation activities with BPRMO.

Furthermore, this will give the Lawin Teams/Patrollers as their guide for an effective and regular schedules for a continuous presence for monitoring/patrolling which will serve as a deterrent against any offenders.

For information and record.
