DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES, REGION IV-B Represented by Regional Executive Director **VICENTE S. PARAGAS**

Complainant-Appellant,

Adm. Case No. 02-97

O OUTGOING

For: Grave Misconduct

P.D. 807, Civil Service Decree of

Philippines

-versus-

JERRY M. BALANGUE

Respondent-Appellee,

FOR: THE HONORABLE SECRETARY

DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES, DILIMAN, QUEZON CITY

APPEAL MEMORANDUM FROM THE DECISION DATED AUGUST 23, 2021

COMES NOW "JERRY M. BALANGUE" the Respondent-Appellant in the above-entitled case, hereby files this Motion for Reconsideration from the decision rendered by the Regional Executive Director Vicente Paragas dated August 23, 2021 and respectfully alleges the following to wit:

FACTS/ANTICENDENTS:

- 1. The undersigned Respondent was precisely committed the alleged violation from the date of the discovery of violation dated February 14, 1996. The preventive suspension of Six (6) months without pay was ordered and issued dated February 20, 1997 by the Regional Executive Director VICENTE PARAGAS. Finally the Administrative proceeding was started on April 21, 1997 upon created the committee to hear the instant administrative case against the respondent;
- 2. The DECISION was rendered by the Regional Executive Director on August 23, 2021 and formally received by the undersigned only on May 25, 2022 and upon receipt of the Decision, the respondent immediately filed his Notice of Appeal before the office of the DENR Secretary dated May 27, 2022; (Attached is the Registry Mail as exhibit "A")
- 3. Unfortunately, from the date of the Decision of this case the respondent was continuously working in the office as the Chief Enforcement Unit of the PENRO-Palawan and concurrent Provincial Data Manager (LAWIN). (Attached is the Copy of Last Payroll as Exhibits "B")
- 4. The Respondent was filed his Application for Early Retirement on October 7, 2022 and complied the office clearance duly signed and approved by the Head Administrative Section as well as the PENR Officer; (attached is the duly accomplished office clearance as Exhibits "C")

ISSUES:

- 1. WHETHER THE RESPONDENT-APPELLEE COMMITTED THE VIOLATION UNDER THE P.D. 807 "Known as the Civil Service Decree of the Philippines";
- 2. WHETHER THE RESPONDENT- APPELLEE EE HAVE THE RIGHT TO COMPROMISE THE PENALTY OF DISMISSAL, FROM THE COMMISSION OF WRONGFUL ACT AS DISCOVERED BY THE DISCIPLINING AUTHORITY WAY BACK ON THE YEAR 1996

- AND THE DECISION WAS DATED AUGUST 23, 2021 ONLY ON MAY 25, 2022 RECEIVED THE DECISION FOR DISMISSAL:
- 3. WHETHER THE GOVERNMENT SUFFERED DAMAGES TO SUSTAINED THE PUNISHMENT OF THE DISMMISSAL OF RESPONDENT-APPELLEE:
- 4. WHETHER THE DISCIPLINING AUTHORITY HAD VIOLATED THE PRESCRIPTIVE PERIOD REQUIRED ON THE PROSECUTION UNDER THE REQUIREMENT CALLED IN ADMINISTRATIVE OFFENSES;

ARGUMENT:

1. Definitely the Respondent-Appellee had violated the P.D. 807 known as "Civil Service Decree of the Philippines" that was according to the evaluation and reviewed by the Disciplining Authority. However, the instant entitled case identified as Grave Misconduct and the subject matter is anomalous issuance of certification favoring to one Bacolod family, where in at the time of inspection being verbal instruction by the supervisor to accompany the members of the local barangay and City Council were about the said family was found by the team to be the actual occupant long time ago.

Further, again I have stated in my answer that very clear that there was nothing in my certification, where I have mentioned the status of the land whether it was Alienable and Disposable. Furthermore, it was only defined the status of the occupation that in my reports were denominated as Certifications and that it was filed in the CENRO;

Finally, the Respondent-Appellee had suffered and rendered completely six (6) months suspension without pay.

- 2. The Respondent is entitled to enjoy his right to compromise the penalty of which committed the wrongful act discovered by the Disciplining Authority sometimes on February 1996, it was noticed that the prescriptive period of time refers the prosecution was already prescribed the decision dated August 23, 2021 and the same was received by the respondent only on May 25, 2022. Eventually, on May 25, 2022 have already arrived and consummated the 25 years on which is more than 10 to 15 years as prescribed by the law to prosecute and punished administrative offenses. Finally, the Respondent/Appellee have the right to file his petition to reverse and dismiss the instant complaint against him for the grounds that the prosecution had already prescribed; Under Article 3019 by Batas Pambansa approved on March 16, 1982, Provides for its own prescriptive period. Section 11 thereof provides that offenses committed and punishable under the said law shall prescribed in fifteen (15) years.
- 3. On whether the government suffered damages to sustained the punishment of the dismissal of the Respondent-Appellee? The truth of the matter there is no damages had been found from the government further simply because the subject certification was not used solely for their personal interest to gain, despite it is a requirement for their application called by the DENR. There was no private collection of entrance just what the fact finding reported, added is the acquisition of Tax Declaration that is not true, a mare hearsay. The Tax Declaration was issued sometimes on the year 1961.
- 4. On whether the Disciplining Authority had violated the prescriptive period on the prosecution. Definitely he committed the lapses and violated the requirement period to deliver the decision on the administrative cases. Which under existing Administrative Cases it was emphasis here is on more or more than ten (10) years to **fifteen (15) years** before it is punished and therefore on the herein offense charged were already prescribed. Procedural rules must be faithfully followed

and dutifully enforced. The prescription of the crime or offense is the loss or waiver by the state of its right to prosecute an act prohibited and punished by law. Section 117. Non-execution of Decision. Any officer or personnel or fails to implement the Decision, Order of the commission to the prejudice of the public service may be cited in indirect contempt of the commission as defined in Rule 16.

RELATED ISSUES AND MANIFESTATION:

- 1. Just to expedite my sentiment and experienced and difficulties while in the services as Forest Guard and designated as Chief Forest Protection Officer, BFD District Office, as Deputized Land Inspector, Provincial Data Manager (LAWIN), and Concurrent Chief Monitoring Enforcement. Added to my designation is the representative of the PENR Officer in the prosecution in court under Environmental Cases;
- 2. Difficulties in the field during activities of conducting patrolling with bad weather, conducted apprehension with life threatening sometimes with the experienced of gun totting, harassment of highly political personalities in our area;
- 3. Unpaid Travelling Allowances due to delayed disbursement and distribution of Regional Office, Manila, no fuel allowances for the personal motorcycle, no protective materials, gadgets etc. in the field;
- 4. Series of filing of cases on P.D. 705 in court and related violation on Environmental Law and attended hearings as witness for the government without receiving per diem as well as no assisting counsel which clear that the DENR has no protection over the services of Forest Officer that was the sentiment of being a front liner in protecting the environment;
- 5. Unfortunately, It is not unknown in our office here in the province of Palawan, City of Puerto Princesa that there have been series of incidents of illegal treatment of Forest Officers who have been tragically killed during apprehension of forest products and until now have been without justice, and similar punishment to those who gave the truth to what was seen in the area, person living on a parcel of land with according to our director has been guilty and punished by DISMISSAL for which the offense was sufficient to the penalty applied which resulted in the violation of the rights of a very small employee. It is painful to the family affected over the long service and bitter experience, sadly.
- 6. Eventually, the expectation of family of the government employee is that the accumulated time rendered by their parent service to the government, endured all the trials and hardships performing duties, maybe ruined at work in the confiscation of illegals, that it will be compensation for small cases that damaged the government. Also, today snake island has long been used by the DENR as an environmental research center the view of the pious director Vicente Paragas was sad;
- 7. Finally, the truth of the matter it's a pity that he was accused of making money and was envied, he was heated up buried in sin, which is very unfair, because a person with position and have the influence will not be punished after being removed from service, very sad.

Our

WHEREFORE premises, it is prayed to the Honorable Secretary of DENR, that the above information would open his mind of whether the respondent had a serious law to apply for dismissal without benefit, and so would the pious director if he violated also the law set forth in the length of time prosecution and trial and punishment of administrative offenses. The accused also prays for a change of decision of amendment of the penalty towards the true repeal of the DECISION which in turn to reversion of the order into light offense.
