**MEMORANDUM**

FOR : All Regional Executive Directors  
All Regions except CAR

FROM : The Director

SUBJECT : **STATUS OF PARTNERSHIP AGREEMENT ON THE ADOPTION  
OF PROVINCIAL FORESHORE MANAGEMENT AND  
DEVELOPMENT PLAN (PFMDP)**

DATE : 24 JUN 2022

This refers to the formulated Provincial Foreshore Development and Management Plan (PFMDP), which started in 2016 with the following goals:

- To examine the socio-economic structure, local policy setting on foreshore management, and actual uses to determine the drivers and trends of foreshore uses;
- To determine the factors that either promote or limit the potential of foreshore uses given varying development goals to include risks from further degradation and hazards, and the degree to which these are likely to sustain adverse impacts;
- To enhance the decision model proposed in the national framework plan for foreshore areas in the identification of the most suitable uses of foreshore areas, specific to sites or sub-areas with high development potential; and
- To recommend appropriate foreshore management policies and institutional arrangements anchored on co-management principles and other possible collaborative management schemes.

In view hereof, and considering that the evaluation of the PFMDP is about to end this 2022, this Office would like to request the status of the adopted/implemented PFMDPs and those which are still in the process of adoption, which includes the signing of Memorandum of Partnership Agreement (MOPA) between the DENR and the LGU concerned. Further, we would also like to request a copy of the signed MOPA for monitoring purposes. Attached is the list of the status of the Partnership Agreement on the adoption of the PFMDP which was derived from our correspondence via email and text message last May 2021.

Please submit your compliance on the same together with the copies of the signed MOPA through email at [lmbpals2019@gmail.com](mailto:lmbpals2019@gmail.com) on or before June 30, 2022. Also, we are providing you, a copy of the list of the status of the MOPA, which your Office submitted to us last May 2021.

For your information and immediate compliance, please.
