## AGREEMENT

I, Delia M. Binesen, the cooperating teacher of Lorabel B. Ureta, am allowing her to go to school twice or thrice a week for her to be able to still do her job while doing the intern service. I will allow her to take home the modules for printing and other tasks that can be done at her free time or will assist me even on Saturdays and Sundays if she wants to. On her part, she will do the tasks assigned on her and finish it to the time allotted. This agreement is to help her pursue and finish her course without putting her work at risk. I encourage life-long learning development since this opportunity partakes for her career advancement.

In doing this agreement, no one has been obliged or forced to do the written settlement.
