Dear Mr. Landrito

Good day!

This is to ask requirements and seek quotation for a cadastral survey in our municipality.

Please be informed that prior to creation of four (4) additional barangays in 1992, no cadastral survey had been conducted in Alcantara, Romblon. Thus, exact land area by barangay cannot be fully determined yet. Currently, the only source we have is Geographic Information System generated in 2018 for the Comprehensive Land Use Plan of our town.

As Municipal Assessor, one of my priority programs is to create a comprehensive and updated database for Alcantara, specifically the real property owners. Unfortunately, this cannot be realized without an updated cadastral map as major reference.

I am hoping for your immediate answer.

Thank you!

Respectfully yours,

Andrew G. Dalisay, REB, MA Soc  
Municipal Assessor
