Kagalang-galang na Kalihim Sampulna,

Isang mapayapang araw po sa inyo!

Kami po, mga lehitimong residente ng Barangay Poblacion 3 Coron, Palawan ay dumudulog at humihiling na sana po ay mapakinggan ng inyong mabuting tanggapan ang aming mga saloobin.

Amin pong napag-alaman na nacancell po ang ECC ng proyekto ng reclamation sa aming lugar, sa totoo lamang po, masaya at napakalaking tulong po sa amin ang ginawang reclamation dahil po lupa na ang aming ginagalawan, panatag na po kami sa kaligtasan ng aming mga kabarangay at aming mga munting ari-arian. Panatag na po kami lalo sa oras ng mga bagyo dahil matatag na po ang mga pundasyon ng aming mga kabahayan at di na nangangamba pang maanod ng tubig dagat. Hindi na rin po namin kinakailang itago pa kung saan saan ang amin munting bangka, itataas na lamang namin ang mga ito sa itinambak na mga lupa. Sa tuwing sumasapit naman po ang low tide kinakailangan pa po naming maglakad sa malapad na putikan upang makapunta sa ming mga bangka upang makapalaot at makapangisda, ganun din po tuwing kami ay babalik ay kinakailangang muling maglakad sa putikan. Sa panahon naman po ng tag init na kung saan amin pong nasaksihan ng minsang magkasunog ay agad din pong naapula at naiwasan ang pagkalat nito sa ibang kabahayan at karatig barangay, ito ay nang dahil sa madaling nakapasok and firetruck dahil na rin po sa tulong ng reclamation.

Kaugnay nito, hinihiling din po sana namin na sana po ay maipagpatuloy ang proyektong itinatalaga ng pamahalaan para sa reclamation dahil sa aming pang unawa ay malaki po ang maitutulong nito sa aming kabuhayan at pag unlad. Sa katunayan po, may ilang negosyo na po ang aming kabarangay ang nakikinabang sa reclamation na ito, at naniniwala po kami na kung sakaling mataipagpapatuloy ang mga proyekto nito ay mas marami pang kabarangay at kababayan ang makikinabang dito. Sa katunayan din po may itinalang area po ang barangay sa loob ng reclamation na lugar pasyalan ng buong bayan ng Coron, na kung saan ay malayang nakakapaglakad lakad ang mga kababayan lalo na mga kabataan, mga Senior Citizens, nakakatulong sa aming physical na pangangatawan at maging mental.

Bilang mga residente po ng Barangay Poblacion 3, kami po ay magpapatunay na wala pong corals sa nasabing lugar na kung saan nagkaroon ng reclamation, patunay po nito ay

naipon sa tuwing may magaganap na coastal clean up na bukod sa aming kabaranggay ay dinadaluhan din ng ibat- ibang pribado at lokal na ahensya. Ang coliform level ng tubig ay tumaas ng sobra sobra at mabaho at maitim na po ang tubig sa baybayin. Ngunit dahil po sa reclamation, sa ngayon po ay napapanatili na po etong malinis dahilan ang mga basura sapagkat naiipon na po at nakokolekta na ang mga ito ng truck ng basura ng munisipyo.

Ang nais lang po namin bilang mga lehitimong residente ng Barangay Poblacion 3 ay maging maayos at ligtas ang bawat isa sa amin at maging produktibo sa tulong ng mga itatayong proyekto ng reclamation at maging matatag para sa kinabukasan.

Kami po na lehitimong residente ng maraming taon ng Barangay Poblacion 3 Coron, Palawan ay nakikiusap na sana po ay inyong mapakinggan at maintindihan ang aming mga hinaing para sa kapakanan ng bawat isa sa amin.

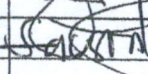

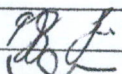

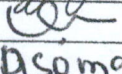

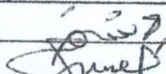

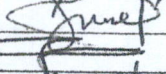

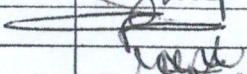

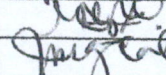

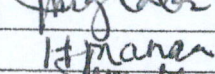

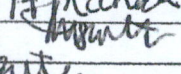

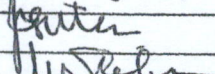

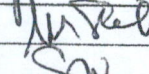

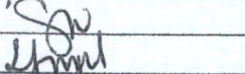

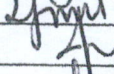

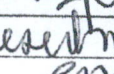

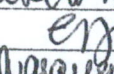

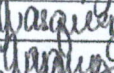

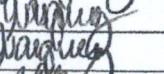

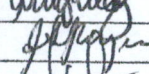

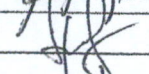

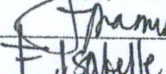

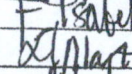

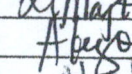

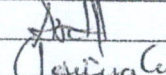

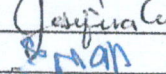

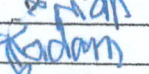

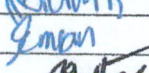

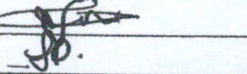

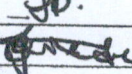

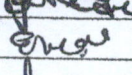

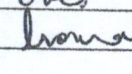

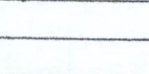

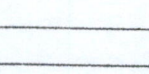

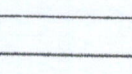

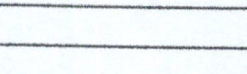

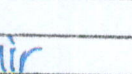

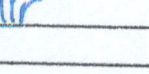

Umaasa po kami sa inyong lubos na pang unawa sa aming kalagayan.

Pagpalain po kayo ng Maykapal.

Lubos na gumagalang,

ATTY. JANILO E. RUBIATO

General Manager
PHILIPPINE RECLAMATION AUTHORITY
Bldg. 3 PNO Compound, Energy Center
Rizal Drive, Bonifacio Global City
Fort Bonifacio, Taguig City

Dear Atty. Rubiato,

A blessed day Sir!

We, the Barangay Officials of Barangay Poblacion 3, Coron, Palawan write on behalf of our constituents in support to the proposed project intended for the reclamation in our barangay. That our intension in supporting the said project is merely to help our constituents become resilient individuals and be a part of the development in our community for future generations.

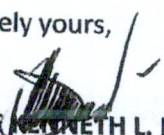

We believe that the project to be implemented within the Barangay will address the problem on congested area and develop site for government building, residential buildings, reclamation areas etc. and can create opportunities to the residents of barangay. Jobs can be created, residents of Coron can go into business. That would have positive impact to the economy of the Barangay and the Municipality as a whole. Development can also introduce and create wider knowledge among our children and can lead them to become a more productive individual as they grow old.

In line with this, we are also fervently requesting for your help to have all the erected houses be retained along the reclaimed area. Families living in are very thankful and happy that they now reside in a house with stronger foundation. That they now feel safer during typhoon. That staying within the area provides an easy access to their means of living and also easy access to school for our children.

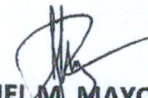

As the officials of this Barangay, all we are praying and requesting for is a better place, a safer place and a productive place for our constituents to live in.

We are humbly asking on your good office for positive response towards our request. God Bless us. And more power!

Sincerely yours,
