Kagalang-galang na Kalihim Sampulna,

Isang mapayapang araw po sa inyo!

Kami po, mga lehitimong residente ng Barangay Poblacion 5 Coron, Palawan ay dumudulog at humihiling na sana po ay mapakinggan ng inyong mabuting tanggapan ang aming mga saloobin.

Nakarating po sa aming kaalaman na nacancel po ang ECC ng reclamation sa aming lugar, sa totoo lamang po, masaya at napakalaking tulong po sa amin ang ginawang reclamation dahil po lupa na ang aming tinitirahan, panatag na po kami sa kaligtasan ng aming mga anak na maliliit at aming mga senior citizens dahil wala nap o ang dagat na maari nilang kahlugan na maaring ikalunod. Malaya na rin pong nakakapaglaro an gaming mga Kabataan. At kung sakali man pong may darating na bagyo katulad ng nakaraang Bagyong Yolanda ay di nap o manganganib an gaming buhay at mumunting ari-arian pati na rin ang mga bangka ikinabubuhay ng bawat residente ng Bancuang Baba. Sa tuwing sasapit po ag low tide ay di na po naming kailangang hilahin pa ang aming mga Bangka tuwing kami ay dudunggo mula sa pangingisda at hindi na rin po kami kailangang maglakad sa putikan uwing kami ay lalaot sa mga panahong iyon. Sa tuwing darating din po ang bagyo ay di na naming kinakailangang itago pa kung saan saan angaming munting bangka, itataas na lamang naming ang mga ito sa itinambak na lupa. At sa nakaumang na panganib naman po tuwing may sunog ay panatag na po kami na makapasok ang firetruck sa bawat kalsada sa pagitan ng mga kabahayan.

Amin din pong lubos na hinihingi ang inyong pang unawa upang hindi na po kami mapaalis sa aming tinitirhan sapagkat nandito po ang aming kabuhayan at malaki rin po ang epekto sa pagpasok sa eskwela ng aming mga anak kung sakali kami ay mapapaalis. Wala rin po kaming kkayahan upang magsimula ng panibagong kabuhayan sa ibang lugar.

Kaugnay nito, hinihiling din po sana namin na sana po ay maipagpatuloy ang proyektong itinatalaga ng pamahalaan para sa reclamation dahil sa aming pang unawa ay malaki po ang maitutulong nito sa aming kabuhayan at pag unlad. Na hindi lamang po kaming mga magulang ang makikinabang at siuradong pati ang aming mga anak at sususnod na mga henerasyon ay may malaking kapakinabangan. Batid po namin ang mga positibong maiaambag nito sa aming kabuhayan at pag unlad.

Bilang mga residente po ng Bancuang Baba, kami po ay magpapatunay na wala pong corals sa nasabing lugar na kung saan nagkaroon ng reclamation, patunay po nito ay ang lawak na sakop ng kaputikan sa tuwing maglowlowtide, dagdag na katibayan po ang mga litratong kuha noong mga nakaraang taon (2014-2019), na kung saan bukod po sa aming barangay ay may mga ibang ahensya (pribado at lokal na ahensya) din po ang nagsasagawa ng coastal clean up sa aming lugar. Umabot na rin po sa 25,269 ang coliform level ng aming barangay at mabaho at maitim na po ang tubig sa baybayin, na makakapagdulot din ng sakit sa amin. Ngunt dahil po sa reclamation, sa ngayon po ay napapanatili na po etong malinis dahilan ang mga basura ay naiipon na po at nakokolekta na ng truck ng basura ng munisipyo dahil naiiwasan na ang pagtapon ng basura sa karagatan. Malaki ang maitutulong din ng reclamation dahil maliliit na po ang kasalukuyang kalsada ng Coron at sa dami na po ng turista na pumapasok sa aming bayan malaki na po ang epekto nito sa trapiko ng Coron, na kung maitutuloy ang proyekto ng reclamation ay maaring makatulong ito para alternatibong ruta.

Ang nais lang po namin bilang mga lehitimong residente ng Barangay Poblacion 5 ay maging maayos at ligtas ang bawat isa sa amin at maging produktibo sa tulong ng mga itatayong proyekto ng reclamation at maging matatag para sa kinabukasan.

Kami po na lehitimong residente ng maraming taon ng Barangay Poblacion 5 Coron, Palawan ay naninihihod na nakikiusap na sana po ay pakinggan at maintindihan ang aming mga hinaing para sa kapakanan ng bawat isa sa amin.

Umaasa po kami sa inyong lubos na pang unawa sa aming kalagayan. Pagpalain po kayo ng Maykapal.

Dear Atty. Rubiato,

A blessed day Sir!

We, the Barangay Officials of Barangay Poblacion 5 Coron, Palawan write on behalf of our constituents in support to the proposed project intended for the reclamation in our barangay. That our intension in supporting the said project is merely to help our constituents become resilient individuals and be a part of the development in our community for future generations.

We believe that the project to be implemented within the barangay will address the problem on congested area and develop site for government building, residential buildings, recreation areas etc. and can create opportunities to the residents of barangay. Jobs can be created, residents of Coron can go into business. That would have positive impact to the economy of the Barangay and the Municipality as a whole.

Development can also introduce and create wider knowledge among our children and can lead them to become a more productive individual as they grow old.

In line with this, we are also fervently requesting for your help to have all the erected houses be retained along the reclaimed area. Families living in are very thankful and happy that they now reside in a house with stronger foundation. That they now feel safer during typhoon. That staying within the area provides an easy access to their means of living and also easy access to school for our children

As the officials of this barangay, all we are praying and requesting for is a better place, a safer place and a productive place for our constituents to live in.

We are humbly asking on your good office for positive response towards our request. God bless us. And more power!

Sincerely yours,

LANIE S. LUNGAY
