SUBJECT : **REPORT ON THE ATTENDED WRITESHOP FOR THE  
FINALIZATION OF MASTER PLANS OF THREE (3) GREEN  
ECONOMY MODELS (GEMs) OF THE MIMAROPA REGION**

This pertains to the target on the conferences, meetings, and other related activities attended under Top Level Management Supervision of this Office.

Please be informed that on May 12-13, 2022, the undersigned together with CENRO Alan L. Valle and SVEMS/PASu Mildred A. Susa of El Nido-Taytay Managed Resource Protected Area (ENTMRPA) attended the writeshop for the finalization of master plans of three (3) GEMs of the MIMAROPA Region held at Bayview Park Hotel, Manila, Philippines. The objective of the activity is to finalize the master plans of the three (3) GEMs: El Nido and Coron in Palawan and Puerto Galera in Oriental Mindoro to serve as basis for funding. It was attended by the representatives from three GEM sites, RED Lormelyn Claudio, *CESO IV*, ARDTS Vicente Tuddao, Jr., and MIMAROPA Region Division Chiefs and staffs.

The activity started with preliminaries followed by presentation of comments from the submitted draft Master Plans of PMD Chief Marilyn A. Limpiada. Afterwards, a guide for the preparation of master plan and power point presentation was provided as reference for writeshop proper. As area of jurisdiction, our team focus on the finalization of GEM master plan for El Nido, Palawan. CENRO Alan L. Valle presented the output of the writeshop and noted some suggestions and comments such as updated carrying capacity study, change of appropriate word for lack of policy awareness, inclusion of proposed constructions of buildings and facilities in the 10 hectares DENR property located at So. Lamoro, Barangay Pasadeña, El Nido, Palawan to the 6 year investment program, among others.

The finalized GEM Master Plan for El Nido was submitted last May 18, 2022 to Region through the official email address for their review. The plan is still subject for consultation to community, stakeholders and other partners government agencies both local and national.

Attached herewith is photodocumentation of the activity. This serves as our Means of Verification on the target.

Please confirm the receipt hereof. Thank you.
