Impression/Comments:

- The symposium was participated by representatives from different DENR Regional and field offices, Academes, BFAR, NGO's, DOST, PhilSA, JICA, PEMSEA, DA, DEPED, NEDA and PCSDS
- The coastal blue carbon ecosystems – mangroves, seagrasses and tidal marshes are the most efficient natural carbon sinks on Earth on a per area basis
- Blue carbon studies like Mangroves and Seagrass beds carbon stocks still lacks in the Philippines.

II. RELEVANCE OF THE LEARNING EVENT TO THE PARTICIPANT'S WORK/FUNCTION

- The training is relevant to my work because I am assigned in the Conservation Development Section which deals in the conservation and protection of our mangrove forests and its neighboring ecosystems like seagrass beds.

III. RECOMMENDATIONS

- Blue Carbon is significant in the achieving nature-based solutions to climate change issues, therefore, assessments and monitoring of coastal blue carbon ecosystems like mangrove and seagrass beds should be conducted.

IV. POST LEARNING ACTION PLAN/PROPOSAL

Proposed Plan/Activity/Output	Time Frame
1. Echo orientation of the webinar especially to the personnel of CENRO Roxas in Conservation Development Section 2. Additional training on actual assessment of carbon stocks and valuation of each blue carbon ecosystems.	July 2022

1. EVALUATION OF COURSE:

- Technical Content:**

The topics discussed and activities conducted during the training are:

- Basic Cinematography Training;
- Beginners Guide and Drone Flying Training;
- News, Technical and Feature Writing Training; and
- Public Speaking and Radio Broadcasting Training.

- Impression/Comments:**

The training session will help Information Officers (IOs) in carrying out their duties effectively. Each topic contains excellent resource speakers who have been passionate about their fields for many years. They efficiently communicated the fundamentals of cinematography, drone flying, public speaking and radio broadcasting, as well as news technical and feature writing.

2. RELEVANCE OF THE LEARNING EVENT TO PARTICIPANT'S WORK/FUNCTION:

This training is vital to perform the duties and functions of IOs more effectively. This will improve the knowledge and abilities of DENR Palawan IOs and IEC Team, allowing them to be more active in their assigned tasks and as one intervention in intensifying the implementation of advocacy and information communication of the Department.

3. RECOMMENDATIONS

To capacitate and expand the knowledge and abilities of DENR Palawan's IOs and IEC team, such learning activities should be held at least once a year. This exercise will also help fellow officers develop excellent stewardship by allowing them to share their experiences and best practices in implementing Communication, Education, and Public Awareness in their jurisdiction. Furthermore, high-end equipment such as IOS devices (cellphone and laptop) and high-quality cameras, particularly for the usage of IO, must be purchased in order to have high-quality raw data for photos and secure data.

INDIVIDUAL LEARNING REPORT

Part 1 (To be prepared by the participant)

Name of Participant:	Reynaldo V. Palisoc
Office/Service:	DENR CENRO Brooke's Point/EMS
Training Title:	Orientation to Newly Appointed and Newly Promoted Employees in DENR MIMAROPA
Learning Providers:	DENR MIMAROPA
Inclusive Dates:	April 27-29, 2022
Venue:	Via zoom

I. EVALUATION OF THE COURSE:

- Technical Content:**

This Learning Event incorporates lectures and topics relative to Basic information/knowledge/insights on:

1. The history of the DENR
2. DENR Priority Programs
3. DENR Quality and Policy
4. DENR Core Values
5. Employee's duties and responsibilities and function.
6. Rights and privilege
7. DENR Strategic Performance Management System (SPMS)
8. Importance of Financial Planning and investment Principle
9. Government Service Issuance System (GSIS) mandate
10. Virtual PAG-IBIG and Modified Pag-ibig II (MP2)

- Impression/Comments:**

1. Queries and concerns were also entertained and answered nicely further enable us participants to understand the topic present better.

II. RELEVANCE OF THE LEARNING EVENT TO PARTICIPANT'S WORK/FUNCTION:

- This Orientation helped me learned and understood the importance ways on how to I can improve my work to be able to serve honestly and provide good quality service to the client/people.
- The vital information I obtained from this Orientation is in terms of Financial Planning/ Financial education wherein I learned about the correct/ right ways of spending money and proper ways of savings and investing for the better future of my family

III. RECOMMENDATIONS:

- I recommended better for the newly Appointed and Newly Promoted of DENR-MIMAROPA is better to conduct face to face Orientation, because the meetings through via zoom is highly dependent only in the internet connectivity is often weak, there is a high chance that there will be topic that the participant will skip, which then turn make it hard for the them to grasp/ understand the importation that the resources speaker want to convey.

IV. POST LEARNING ACTION PLAN/PROPOSAL:

Proposed Plan/Activity/Output	Time Frame
Conducts re-echo at the CENRO level to share major take-away on lectures/topics and/or other updates/agreements discussed/presented during the learning event.	Monday Forum
Apply knowledge/insights gained from the learning event.	Whenever and wherever possible

Part 2 (To be prepared by the Supervisor)

How will you support the post Learning Action/Proposal?

Provide technical support and monitoring of the implementation in the discharging of duties in connection with the above mentioned post learning action plan/proposal

Have you discussed any concerns/resources needed by your subordinate so that he/she can effectively transfer the skills and knowledge gained from the training?

Yes.

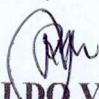

Would you be willing to send him/her again to other training/seminar/conference?

Yes ☒ No ☐ Others ☐

If yes, please specify courses.
