Follow Up On Status Of

Details:

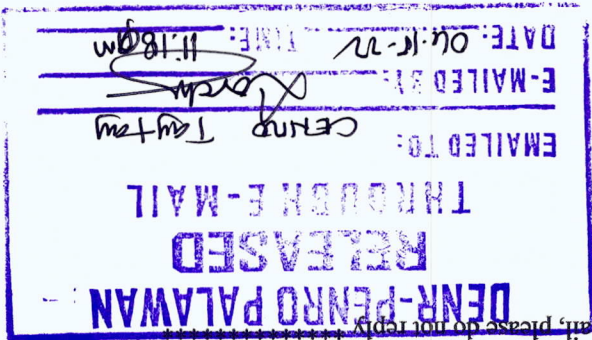

Authority To Survey Request

"Concern ko ang City Environment and Natural Resources Office (CENRO) Taytay, Palawan regarding sa naipasa kong authority to survey ng lupa dahil hanggang ngayon wala pa rin update sa akin at tuwing mag-follow up ako laging sinasabi sa akin ay wala pang dumadating na documents galing Department of Environment and Natural Resources (DENR). Ang tumanggap ng documents ko sa CENRO Taytay, Palawan ay si Jones Manuel Lafuente at noonng April 15, 2021 ko pa naipasa ang request ng authority to survey ng lupa. Ang lot number na 1489 CAD 841D ang lupa na dapat i-survey. Ang gusto ko mangyari ay ma-follow up sa CENRO Taytay, Palawan at sa DENR Regional Office ang na-apply ko na authority to survey ng lupa na request ko." NOTE: Same Ticket was also Endorsed to DILG MIMAROPA

Please be reminded of Section 5 of EO No. 6, which states that "a citizen's concern lodged through any of the communication channels shall have a concrete and specific action within 72 hours from the receipt of the concern by the proper government agency or instrumentality".

Kindly send your reply directly to the concerned person/entity, copy furnished complaints@8888.gov.ph, on any action/s taken, citing the above ticket reference number. Thank you very much.

MEMORANDUM

FOR : The Assistant Regional Director for Technical Services

FROM : The Provincial of Environment and Natural Resources Officer

SUBJECT : TRANSMITTAL OF THE REPORT

I am forwarding the memorandum of CENRO, Taytay, Palawan with the investigation report conducted on the application for Survey Authority with the subject portion of Lot 1489, Cad.841-D.

After evaluation, This Office found out the following:

- The subject area is within portion Alienable and Disposable Land per Land Classification Map No. 3263, Project 9-H, Block II approved on October 28, 1986 and Timberland per LC Map No. 2664, Project No. 9-F, Block C.
- The subject portion to be segregated consist of three (3) lots namely Lot-A, Lot-B and Lot-C covering an area of 123,452, 33865 and 30,087 square meters respectively.
- The subject portion to be segregated was plotted and evaluated based on the attached advance technical description provided by the Geodetic Engineer.

Hence, I recommend clearance for the issuance of survey authority to segregate the portion within timberland. Attached are the geo-tagged photographs of the subject lot and a sketch map showing the relative position of the subject lot overlaid in land classification map.
