THRU : The ARD for Technical Services

FROM : The In-Charge PENRO
Oriental Mindoro

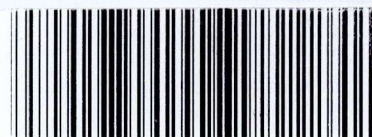

SUBJECT : **SUBMISSION OF REPORT ON CONDUCT OF
CORRDINATION FOR THE TECHNICAL ASSISTANCE ON
INTEGRATED COASTAL MANAGEMENT (ICM)
PROGRAMMES OF DIFFERENT MUNICIPALITIES WITHIN
ORIENTAL MINDORO**

Submitted is the report of this Office on the conduct of coordination with the Municipal LGUs of Baco, San Teodoro, Puerto Galera, Pinamalayan and Gloria for the technical assistance on Integrated Coastal Management Programs of the said municipalities. This is a target activity of the CD Section for the second quarter of CY 2022 under Coastal and Marine Ecosystems Management Program (CMEMP).

Kindly be informed that among the five (5) municipalities, Puerto Galera is the only one that is already preparing for the development of their Coastal Resource Management Plan which will start on July, this year. This Office have expressed an intent on the participation to the development and provision of technical assistance during the crafting of the said plan. However, the four (4) other municipalities have been discussed with the DENR Plans and Programs as well as the scope of Executive Order No. 533 "Adopting Integrated Coastal Management As A National Strategy To Ensure The Sustainable Development Of The Country's Coastal And Marine Environment And Resources And Establishing Supporting Mechanisms For Its Implementation". Further, a technical assistance and trainings shall be conducted in support the programs of the ICM in the municipality. This will be scheduled for the 3rd quarter of this year.

Attached is the report with photo documentation, for information and record.

MEMORANDUM

FOR : The In-charge, PENRO
Oriental Mindoro

THRU : The Chief, Conservation and Development Section

FROM : The CDS Personnel

SUBJECT : **SUBMISSION OF REPORT ON CONDUCT OF
COORDINATION FOR THE TECHNICAL ASSISTANCE FOR
THE INTEGRATED COASTAL MANAGEMENT (ICM)
PROGRAMMES OF DIFFERENT MUNICIPALITIES WITHIN
ORIENTAL MINDORO**

Please be informed that the Conservation and Development Section (CDS) personnel have already coordinated with the municipalities of Baco, San Teodoro, Puerto Galera, Pinamalayan and Gloria for the technical assistance on ICM Plan. This was conducted on June 2, 2022.

The Chief, CDS have discussed to the Municipal Mayors of Pinamalayan and Gloria about the DENR Plans, Programs and Livelihood Projects under the Biodiversity-Friendly Enterprise. One of the 10 Priority Programs of the DENR is Scaling Up of the Coastal and Marine Ecosystem Program. Under this is the development of BDFEs, maintenance and protection of coastal and marine ecosystems and coral reef and sea grass assessment. Forester Amor discussed about the integrated coastal management as a national strategy to ensure the sustainable development of the country's coastal and marine environment and resources. It was explained that Integrated Coastal Management Programs of the LGU shall be in line with the National ICM program and shall be consulted with the relevant stakeholders. LGUs shall update their respective ICM program to reflect changing social, economic and environmental condition and emerging issues. Barangays shall be directly involved with municipal and city governments in prioritizing coastal issues and identifying and implementing solutions. Municipal and city governments shall consider ICM as one of their regular functions. This was also discussed by the undersigned to the three (3) other Municipal Agriculturist's Office of Baco, San Teodoro and Puerto Galera. Though the latter is already planning on the formulation of the Coastal Resource Management (CRM) Plan of the said municipality on July, this year. This Office have expressed their intent on the participation to the development and provision of technical assistance on creation.

As a result of the discussion, a technical assistance and trainings shall be conducted in support the programs of the ICM in the municipality. This will be scheduled for the 3rd quarter of this year.
