**DATE :** JUN 02 2022

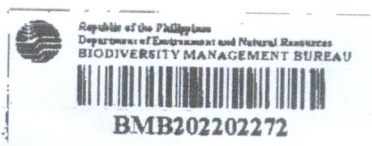

This refers to the implementation of the Project "Integrated Approach in Management of Major Biodiversity Corridors in the Philippines" or BD Corridor.

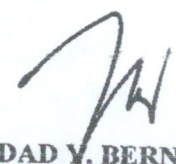

We cordially invite you to the face-to-face Mid-Year Assessment and Planning Workshop on June 7-8, 2022, (venue within Metro Manila to be announced later) to finalize the activities and calibrate the budget allocation for CY 2022 based on the project commitments and realities on the ground.

The Workshop aims to achieve the following objectives: (i) evaluate Project Performance for the first semester of 2022 (January – June 2022); (ii) identify slippages, implementation constraints and measures to address these; (iii) discuss and provide inputs in the preparation of re-calibrated AWP based on the workshop agreements; and (iv) identify actions and responsible units/parties to complete and/or catch up on the remaining activities and commitments for the year. Attached is the Activity Design for your information and reference.

We would highly appreciate receiving confirmation of your attendance to this activity on or before June 1, 2022, to finalize accommodation and arrangements. For queries and other logistical requirements, you may contact the BD Corridor National Project Management Unit (NPMU) project staff through Ms. Dulcie Rivera at email address [bdcorridorproject@gmail.com](mailto:bdcorridorproject@gmail.com) or Ms. Paula Malupa of BMB at email address [bpkmd@bmb.gov.ph](mailto:bpkmd@bmb.gov.ph).

For information and consideration.
