Dear Madame:

May I have the honor to apply for the position of Community Environment and Natural Resources Officer of DENR-CENRO office for Puerto Princesa City that covers the municipality of Aborlan and Puerto Princesa City.

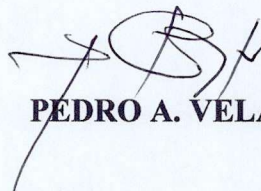

I am Pedro A. Velasco, 63 years old and with appointment of DMO-IV, and currently OIC-CENRO of Puerto Princesa City. This year, I am in 38 years of service in the department.

Scholastically, I graduated Bachelor of Science in Forestry, board passer, and also a graduate of Master in Public Administration at Palawan State University in March 2003. I held and manage almost all the Units and Sections in CENRO offices in Roxas, Coron, and in Puerto Princesa City. I was also assigned in CENRO-Taytay, Palawan in 1999 to 2006 and established and led the presidential proclamation of Malampaya Sound Protected Land and Seascape. My leadership in the proclamation of Malampaya Sound as protected area is a paramount and concrete execution of conservation projects as defined and mandated in the DENR's natural resources management functions and strategies.

I am simply attaching some references for your initial evaluation with regards to my application.

Thank you and God bless.

Very truly yours,

**PEDRO A. VELASCO**
