DIR. LORMELYN E. CLAUDIO, CESO IV
Regional Executive Director
DENR Regional Office No. 4B
Roxas Blvd., Manila

Thru: **Engr. Roman Legaspi**
Chief, Surveys Division

Dear Dir. Claudio:

This pertains to the letters from your office both dated October 29, 2021 for Cadastral Survey Project PB-4B-000003 under Category "B" in the Municipality of Pinamalayan, Oriental Mindoro and Cadastral Survey Project PB-4B-000013 under Category "B" in the Municipality of Dumarán, Palawan, respectively.

For the Pinamalayan Cadastral Project, your office required the undersigned to submit (1) Certificate of Completion duly signed by PENRO and (2) Terminal Report.

With regards to the Certificate of Completion duly signed by PENRO for the two projects, the contract is between the undersigned and the DENR Regional Office, while the PENRO is not a party to the said contract nor privy to the deliverables required. Thus, the PENRO cannot issue the said Certificate of Completion. The project has long been completed and the cadastral survey has been approved and in fact has been used already.

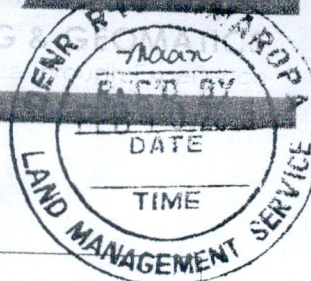

With regards to the Terminal Report for the Pinamalayan Project, the undersigned already submitted the same on February 10, 2015, as evidenced by the Certificate of Transmittal, a copy of which is hereto attached.

The undersigned hopes that with this response, the issues are sufficiently addressed and the corresponding payment be made.

Thank you.

Truly yours,

ENGR. RICHARD C. TOLLO
