SUBJECT : **INCIDENT REPORT RE: STOLEN BOAT AT PAMO-MSPLS,

This pertains to the above mentioned subject. On October 13, 2022 at around 2:40 in the morning, unidentified three (3) men one (1) man wearing green long sleeves with printed name of DOLE Tupad and two (2) men without shirt which covered their faces by putting on color red shirt so as not to be recognized and stolen the apprehended boat owned by Mr. Andres Sta. At around 2:45 in the morning of the same date, the undersigned with Admin. Assistant Melky P. Oab saw that the boat owned by Mr. Sta. Ana was taken near the pier of this Office and it is currently towed by a one (1) motorized boat whose color is "light blue with black lining/liston" but did not see its name which used by the unidentified three (3) culprits. Further, man wearing green long sleeves was seen by the undersigned with a flashlight pulling the said boat into the deep portion of the sea near the pier of PAMO because it is currently low tide at the moment, and helped by his two (2) companions in tying to the boat they used to pull it completely. Likewise, an approximately 30-40 meters away from the pier the engine would not start did not function and the boat stolen was accidentally released which the undersigned immediately took action by jumping into the water trying to recover it but the culprits managed to get it again and one culprit shout loudly "*pre magpaputok ka ng baril*" luckily there is no gun shot and they escaped hurriedly. Meanwhile at around 2:53 in the morning, PASu Clarissa P. Pador also witnessed the taking and pulling of the apprehended boat. Be informed also that the undersigned is the assigned personnel to manned this Office together with Admin. Assistant Oab and PASu Pador because there is a separate activity in Barangay Liminangcong that other staff will have to stay overnight. We exert our effort to stop the towing but also fear of life since they shout loudly "*pre magpaputok ka ng baril*".
