**Dear Regional Executive Director Claudio,**

This is with regard to our **Comment** on the *Partial Motion for Reconsideration* on the **DENR MIMAROPA Region 4 DECISION** dated 27 August 2021.

May respectfully inquire if you have received our Comment? May we also inform you that we encountered a problem with the **Verification** because we could not find a lawyer willing to sign it. The reason for this difficulty is explained by the fact that as stated in our Comment, we were subjected to harassment, due to the multiple criminal cases filed against us by Atty. Francisco F. Benedicto, Jr and his lawyer son, Atty. Francisco S. Benedicto, III.

It was only until we were able to engage the assistance of former Mayor and Judge, Atty. Peter M. Montojo, who was willing to sign the Verification, only then were we able to send the Comment.

Hoping for your kind consideration and usual efficient action, for the expeditious conclusion/finality of this pending matter.

Thank you and God Bless!
