MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA
1515 L&S Bldg., Roxas Blvd.
Ermita, Manila

THRU : The OIC, ARD for Technical Services

FROM : The Provincial Environment and
Natural Resources Officer

SUBJECT : **PROGRESS REPORT ON THE INVENTORY OF
HOUSEHOLDS AND COMMERCIAL ESTABLISHMENTS
CONNECTED TO SEWAGE TREATMENT PLANT (STP) IN EL
NIDO, PALAWAN AS PART OF THE GREEN ECONOMY
MODEL (GEM) PROJECT**

Forwarded is the memorandum dated October 11, 2022 of CENRO Taytay along with the progress report on the inventory of households and commercial establishments connected to Sewage Treatment Plant (STP) in El Nido, Palawan as part of the Green Economy Model (GEM) Project.

Attached in the report are the findings of the team during the coordination with the Municipal Economic Enterprise and Development Office (MEEDO) on the status of implementation of Municipal Resolution/Ordinance requiring all establishments in the urban barangays to connect to the centralized STP of the municipality.

Hence, the team recommended the revising of the year 2 target of the GEM Master Plan under Strategy 1, Output 1, "At Least 50% of the Households and Commercial Establishments connected to the centralized STP and the issuance of PAMB resolution regarding the subsidized scheme for households."

For information and record.

MEMORANDUM

FOR : The Community Environment and
Natural Resources Officer /
Chairperson, Green Economy Model

THROUGH : Protected Area Superintendent
El Nido-Taytay Managed Resource Protected Area /
Vice Chairperson, Green Economy Model

FROM : Inventory and Compliance Monitoring Team

SUBJECT : **PROGRESS REPORT ON THE INVENTORY OF
HOUSEHOLDS AND COMMERCIAL ESTABLISHMENTS
CONNECTED TO SEWAGE TREATMENT PLANT (STP) IN EL
NIDO, PALAWAN AS PART OF THE GREEN ECONOMY
MODEL (GEM) PROJECT**

This pertains to the target activity on the conduct of inventory of households and commercial establishments connected to the Sewage Treatment Plant in the municipality of El Nido, Palawan under the Enforcement of Laws and Regulations of the GEM Project under SAA No. CO-R4B-101-2021-07-514.

Please be informed that on September 2, 2022, the Inventory and Compliance and Monitoring Team conducted coordination with the management office of El Nido Sewage Treatment Plant requesting the list of establishments connected to the STP (Figure 1). Based on the list, there are only 57 establishments connected from barangays of Masagana, Buena Suerte, Maligaya and Corong-corong. The team also had an initial coordination with the Environmental Management Bureau and sent a request for the list of establishments issued with Notice of Violation on clean water through a memorandum dated September 9, 2022. To date, said request is still for approval of the Regional Director according to the EMB embedded personnel of this Office.

On September 14, 2022, the team also coordinated with the Municipal Economic Enterprise and Development Office (MEEDO) on the status of implementation of Municipal resolution/ordinance requiring all establishments in the urban barangays to connect to the centralized STP of the municipality (Figure 2). Based on the discussion with the Mr. Rene "Bong" Acosta, the Municipal Economic Enterprise and Development Officer (MEEDO) of El Nido, the following findings were noted:

1. The Municipal Resolution is not fully implemented because of the revision of the Memorandum of Agreement (MOA) entered between the Provincial Government

of Palawan and the Local Government Unit (LGU) of El Nido. Accordingly, the province took over the over-all management of the STP. Thus, the LGU has a limited stake on its implementation. However, they are providing subsidy of Php290/month/CR for each establishments or around 20million a year for the operational expenses of the STP. This is allocated under the Eco-Tourism Development Fee (ETDF) Fund of the municipality;

2. Only four (4) barangays namely Masagana, Maligaya, Buena Suerte and Corong-corong were connected to the STP. For Bgy. Villa Libertad, only transmission line was established. The LGU is now working on the management of STPs in Sitio Pasto, Bgy. Villa Libertad and in the Public Market. However, the LGU will also turn-over STP in Sitio Pasto to Provincial Government before the end of September this year;
3. Commercial establishments with existing STP are no longer require to be connected in the centralized STP;
4. One issue that has to be addressed is the leakage management of some pipes especially behind the El Nido Elementary School. Accordingly, the MEEDO is receiving all the complaints from the stakeholders but the Provincial Government should be the responsible agency to address such issues, accordingly.

On September 19, 2022, this Office has already coordinated with the Punong Barangays of the above-cited barangays and the Honorable Mayor of El Nido requesting for approval to conduct another set of inventory of households and commercial establishments equipped or not with STP or any sanitation facilities (request copy attached) beginning October 3, 2022. The team had mobilized the hired enumerators starting today to conduct the said inventory.

In view of the foregoing, the undersigned recommends revising the year 2 target of the GEM Master Plan under Strategy 1, Output 1, "At Least 50% of the Households and Commercial Establishments connected to the centralized STP and issuance of PAMB resolution regarding the subsidized scheme for households.

Attached are the photos, list of establishments connected to STP and copy of request and coordination for the said activity.

Dear Sir:

Good day!

The undersigned received your letter dated September 19, 2022, regarding the 2022 Inventory of establishments connected to the Sewage and Solid Waste Treatment Plant in this municipality.

The undersigned hereby approves this inspection and inventory as part of our commitment to a safer, environment-safe, and people-safe El Nido.

Should any concern arise, you may reach our office for any assistance we can afford you. Thank you very much.

Very truly yours,

Hon. Edna-Gacot Lim
Municipal Mayor
El Nido, Palawan

Dear Mayor Lim,

Greetings!

This Office is working on the implementation of the Green Economy Model (GEM) project in El Nido, Palawan. One of its targets is the 100% inventory of commercial establishments with Sewage and Solid Waste Treatment Plant (STP) in barangays Masagana, Maligaya, Buena Suerte, Corong-corong and Villa Libertad of the municipality.

Last September 14, 2022, we already coordinated with the Municipal Economic Enterprise and Development Office (MEEDO) on the status of implementation of Municipal resolution/ordinance requiring all establishments in the said barangays to connect to the centralized STP of the municipality. On September 2, 2022, our personnel coordinated as well with Engr. Yanzon of El Nido STP requesting for the list of establishments connected to the STP. Based on the list provided, only 57 establishments were already connected.

In view of the foregoing, representatives of this Office will be conducting another inspection on commercial establishments and households in the four (4) urban named above that were not included in the list of the 2021 inventory beginning this October 3, 2022 (Monday). We humbly request your assistance on the matter and this coordination will form part of our report to the DENR MIMAROPA Regional Office.

We look forward to your approval hereon. Thank you for your usual support in all our endeavors.

Sincerely yours,

ALAN E. VALLE
