MEMORANDUM

FOR : The Regional Executive Director
MIMAROPA

FROM : The Director

SUBJECT : REQUEST FOR FUND ALLOCATION AMOUNTING TO
PHP1,996,000.00 FOR THE PUBLIC LAND APPLICATION
RESULTANT LOTS IN THE MUNICIPALITY OF ROXAS,
PALAWAN

DATE : 17 NOV 2022

This refers to your Memorandum dated October 13, 2022 on the request of fund allocation amounting to One Million Nine Hundred Ninety-Six Thousand Pesos (Php 1, 996, 000.00) to be used for the conduct of verification survey for the correction or amendment of erroneous tie lines on a number of specific lots as mentioned. After a careful review of your submission, we have made some observations on your request.

Under your proposed WFP 2022 submitted, it has been observed that the targeted lots have a total of 887, however, in your separate Memorandum, the specific lots only mentioned around 15 lots: Lots 99, 100, 103, 36, 102, & 91, Sgs-4B-000166-D; Lots Nos. 59, 61, & 62, Sgs-04-002112-D; Lots Nos. 107 & 104, Sgs-04-002022-D; lot No. 6085, CAD 862-D; Lot No. 4, Csd-045318-012130 and Lot No. 139, Ccs-04-001659. It was also claimed in your Memorandum that there are no existing records found under contested lots, what is the basis on the wrong tie line if such records cannot be found or considered non-existing. We also emphasize that the subject lots for survey must be untitled and classified as agricultural.

With this, please clarify and provide more details on the basis in determining your target lots in the proposed WFP. Please also include estimated area per approved survey. This activity is also recommended to be done by Administration to incur lesser cost.

We support this activity of the Field Offices in the attainment of targets under land management services, but we need additional justification and factual basis for further action/recommendation.

For your information and appropriate action.
