MEMORANDUM

FOR : The Provincial Environment and
Natural Resources Officer
Sta. Monica, Puerto Princesa City

FROM : The OIC CENR Officer

SUBJECT : SUBMISSION OF REPORT ON THE CONDUCTED INSPECTION
AND MONITORING WITHIN THE ENGP PLANTATIONS CY
2021 RELATIVE TO THE FOURTH QUARTER (BILLINGS)

Respectfully forwarded is the report of the NGP Inspection Committee on the conducted inspection with regards to the accomplishment of the eNGP family contractors for the 2nd year maintenance and protection activities for 4th quarter billing.

Please be informed that the inspecting officer of this office inspected the established plantations located in So. Madlungon and So. Tilpane all in Barangay San Nicolas, So. Pali and So. Mabentangen in Barangay Poblacion 6, Coron, Palawan.

Furthermore, it was noticed by the Team that the eNGP family contractors have been conducting the brushing and re-planting activity within their respective assigned areas. In addition hereto, advised the family contractor to strictly monitor their respective areas especially during the dry season to maintain the highest survival rate of the said plantations.

In line with this, this office recommended the processing of the 4th quarter billing for CY 2022.

For information and consideration.

MEMORANDUM

FOR : The OIC-Community Environment and
Natural Resources Officer

FROM : NGP Inspection Committee

SUBJECT : REPORT ON THE CONDUCTED INSPECTION AND
MONITORING WITHIN THE 2ND YEAR MAINTENANCE AND
PROTECTION ACTIVITIES IMPLEMENTED BY THE ENGP
FAMILY CONTRACTORS LOCATED IN THE MUNICIPALITY
OF CORON, PALAWAN

This pertains to the request of the eNGP family contractors with regards to conduct an inspection and evaluation of the conducted activities in relation to the implementation of 2nd-year maintenance and protection activities for CY 2022.

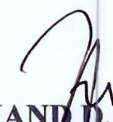

Please be informed that the undersigned personnel inspected the established plantations located in So. Madlungon and So. Tilpane all in Barangay San Nicolas, So. Pali and So. Mabentangen in Barangay Poblacion 6, Coron, Palawan.

During the conduct of inspection in the area, the Team noticed that the eNGP family contractors have been conducting the brushing and re-planting activity within their respective assigned areas. Likewise, the family contractors were advised to strictly monitor their respective areas, particularly during summer time to maintain the highest survival rate of the said plantations.

In line with this, the undersigned inspecting officers recommended the processing of the 4th quarter billing for CY 2022.
