This report is respectfully submitted pursuant to Department (DENR) Administrative Order 97-32 dated October 10, 1997.

WHAT

This is the final report on the administrative adjudication of the twenty-four (24) pieces of lumber of Apitong and Ipil species equivalent to two hundred six point ninety-nine (206.99) board feet.

WHEN

The interception/recovery took place last March 28, 2022 and the corresponding report was submitted and received in the Office on March 29, 2022 (Annex A to A₁) plus the geo-tagged pictures (Annex B), and Apprehension Receipt (Annex C to C₂).

WHERE

The forest products were recovered in Sitio Talogon, Barangay Bagong Bayan, El Nido, Palawan and brought to Forest Product Monitoring Station II at Bagong Bayan, El Nido, Palawan.

WHO

The so-called Apprehension Receipts bear no name of probable culprits. The operating enforcers were personnel from the Forest Product Monitoring Station (FPMS II) composed of then Forest Ranger Gerald J. Namoc as Team Leader along with Forest Technician II Bienvenido F. Veguilla III and ENTMRPA Park Rangers.

WHY

The subject items of forest products were taken and seized for failure by anybody to claim with valid documents despite invitation in public notice posted in three consecutive weeks.

HOW

Forest Protection Officer Janseen Del Rosario and the team conducted surveillance and monitoring at the aforementioned barangay due to the complaint that there is an illegal kaingin somewhere in the area. On the ground, the team unexpectedly found the piled illegal cut lumber covered with dried leaves of bananas and twigs from the provincial road. Minutes passed, the

team then seized the lumber and declared it abandoned. The items using a hired topdown were hauled to Forest Product Monitoring Station at Bagong Bayan, El Nido for safekeeping.

Adjudication procedure

Seizure Receipt (D) and Seizure Order (Annex E to E₂) and were facilitated on April 15, 2022 in order to acquire jurisdiction over the intercepted items. The seized items have an estimated value of fourteen thousand four hundred twenty-six (14,426.00) pesos. Public notices (Pabatid sa Publiko) were posted consecutively every week on April 5, 12, and 19, 2022 (Annexes F to F₂). The Certification of the Records Officer dated April 26, 2022 was then issued upon completion of the posting of Pabatid to the Public (Annex G).

In the absence of claimant, the undersigned opted to adjudicate the issue on the basis of the report submitted. This Office sent invitation to Forest Technician I Gerald J. Namoc, Forest Technician II Bienvenido F. Veguilla III et. al, and Punong Barangay Ron O. Delos Santos of Barangay Bagong Bayan, El Nido, Palawan to a hearing on 26th day of August, 2022 at 3:00 in the afternoon (Annex H to H₁).

The examination pushed through as evidenced by the Attendance Sheet (Annex I). Preliminaries such as attendance check and the IEC presentation was set aside since all of the attendees were personnel from this Office.

On the examination, *Hearing Officer* directly asked the Apprehending Officer on place where lumber was brought for safekeeping. *Forest Technician I Namoc* answered that they brought the items to FPMS II at Bagong Bayan, El Nido, Palawan. *HO* then clarified if the area has a community and *FT I Namoc* replied that the area is mostly shrubs and houses were quite far from each other. *HO* to *Apprehending Officer* asked if further investigation was made by the team and *he* (Namoc) replied back to have conducted investigation in the area but no one claimed the items. Without further clarifications, *HO* then adjourned the hearing.

Transcript of the minutes is Annex J.

Hearing Officer: Magandang hapon sa lahat. Ako po si Forester Michael L. Marasigan, ang naatasang maghearing ng 24 pieces na abandoned Apitong na may total volume ng 206.99 board feet. Tanong ko sa Apprehending Officer saan nyo dinala ang kahoy na ito?

FT Namoc: After namin na makuha ang mga kahoy dun sa area, ito ay dinala namin sa Station II Bagong Bayan para dun sa safekeeping purposes.

Hearing Officer: Sa lugar na na-apprehendan nyo ng kahoy, may mga tao ba, may mga bahay?

FT Namoc: Yan po ay open area, mostly mga shrubs so malalayo po ang mga bahay dyan sa area mismo, sa nakunan namin ng mga kahoy.

Hearing Officer: Nagconduct ba kayo ng further investigation pagkatapos nung ano.

FT Namoc: Pagka-umaga nagconduct kami ng investigation so wala naming umamin kung kaninong mga kahoy yung nakuha namin doon sa area.

Hearing Officer: Sige, yun lang po.

Off the Record.

Hearing ended at 2:27 in the afternoon.

I HEREBY CERTIFY THAT the statements above are true and correct to the best of my knowledge and belief.
