This report is respectfully submitted pursuant to Department (DENR) Administrative Order 97-32 dated October 10, 1997.

WHAT

This is the final report on the administrative adjudication of the seven (7) pieces of lumber of Apitong species equivalent to seventy-two (72) board feet.

WHEN

The interception/recovery took place last January 27, 2022 and the corresponding report was submitted and received in the Office on January 31, 2022 (Annex A to A₁) plus the geo-tagged pictures (Annex B), and Apprehension Receipt (Annex C to C₂).

WHERE

The forest products were recovered in Sitio Swamp, Barangay Aberawan, El Nido Palawan and brought to Forest Product Monitoring Station II at Forest Product Monitoring Station (FPMS) II at Bagong Bayan, El Nido, Palawan.

WHO

The so-called Apprehension Receipts bear no name of probable culprits. The operating enforcers were personnel from the Forest Product Monitoring Station (FPMS II) composed of then Forest Ranger Gerald J. Namoc as Team Leader along with Forest Technician II Bienvenido F. Veguilla III and ENTMRPA Park Rangers.

WHY

The subject items of forest products were taken and seized for failure by anybody to claim with valid documents despite invitation in public notice posted in three consecutive weeks.

HOW

Forest Protection Officer Janseen Del Rosario conducted surveillance and monitoring at the aforementioned barangay when he found out the illegally cut lumber covered with coconut leaves and piece of old sawali. He went back to the station, alarmed the team and they proceeded to the area. After searching the surrounding, the team found, seized the lumber and declared it

abandoned. The items were hauled to Forest Product Monitoring Station at Bagong Bayan, El Nido thru topdown.

Adjudication procedure

Seizure Order (Annex D to D₂) and Seizure Receipt (Annex E) were facilitated on February 9, 2022 in order to acquire jurisdiction over the intercepted items. The seized items have an estimated value of four thousand three hundred twenty (4,320.00) pesos. Public notices (Pabatid sa Publiko) were posted consecutively every week on February 9, 16, and 23, 2022 (Annexes F to F₂). The Certification of the Records Officer dated March 2, 2022 was then issued upon completion of the posting of Pabatid to the Public (Annex G).

In the absence of claimant, the undersigned opted to adjudicate the issue on the basis of the report submitted. This Office sent invitation to Forest Technician I Gerald J. Namoc, Forest Technician II Bienvenido F. Veguilla III et. al, and Punong Barangay Rodante V. Reynoso of Barangay Aberawan, El Nido, Palawan to a hearing on 26th day of August, 2022 at 2:00 in the afternoon (Annex H to H₁).

The examination pushed through as evidenced by the Attendance Sheet (Annex I). Preliminaries such as attendance check and the IEC presentation was set aside since all of the attendees were personnel from this Office.

On the examination, *Hearing Officer* directly asked if follow-up operation was conducted by the enforcement team after the incident. *Forest Technician II Veguilla* answered that they conducted surveillance and monitoring on the area and found no claimant. *HO* inquired about the recommendation of the team and *FT II Veguilla* replied to continuous conduct monitoring and surveillance on the area. Without further clarifications, *HO* then adjourned the hearing.
