## **WORKSHOP MODULE/TRAINING DESIGN**

### **I. Project Title:**

**LEARNING EVENT FOR THE PERSONNEL OF DUMARAN BANTAY BAYAN PROPOSED AS DENRO RE: ENFORCEMENT OF ENVIRONMENTAL LAWS IN THE ABOVE MENTIONED MUNICIPALITY**

### **II. Background and Rationale:**

In Palawan, the DENR CENRO Roxas, which administrative jurisdiction includes the municipalities of Roxas, San Vicente, Dumarán and Araceli, is the primary regulatory agency mandated to conserve and protect the communities' diverse forest resources and other natural resources in consonance with the provisions of Presidential Decree 705, as amended, and Republic Act No. 9147.

PD 705 known as Forestry Code of the Philippines present the laws and regulations governing the use and protection of forest lands while DAO No. 22-2008 known as the Revised Guidelines on the Deputation of Environment and Natural Resources Officers (ENRO) provides for the deputation of S/DENRO to strengthen the enforcement of the law. However, the DENR still encounters difficulties even where solutions have been identified. Law enforcement has been difficult due to inadequate financial resources to invest in manpower and skilled personnel and equipment. Further, a large number of personnel operating in the field are not adequately equipped with skills (e.g. apprehension and wildlife identification) and knowledge on legal procedures and requirements to effectively combat illegal extraction of forest products.

With the current environmental concerns and issues being faced by the department, it is deemed necessary to impart with our partners in environmental protection the salient provisions of PD 705, as amended, and for forestry concerns and RA 9175 for the legal processes of owning/using chainsaws, conducting surveillance and undercover operation for guidance on intelligence work, preparation of investigation report for reference on the necessary data needed in submitting investigation/apprehension reports, forest mensuration to equip their knowledge on inventory of forest resources and mining related topics to create awareness on the rules and regulations pertaining to small mining, quarry and other concerned activities.

This Office takes the challenge to come up with a common frame of understanding and adequate knowledge on both technical and legal requirement for a successful

---

environmental protection, conservation, and sustainable development of natural resources.

**III. Objectives:**

1. To provide the participants with a common frame of reference in the sustainable management of our forest resources, through a holistic approach on the protection and conservation of forest resources;
2. To impart the salient provisions of PD 705, as amended, DAO 97-32, Chainsaw Act, Conducting Surveillance and Undercover Operation, Preparation of Investigation Report, Forest Mensuration and Mining related topics;
3. To provide guidance on legal procedures, including documentary requirements in unlawful cutting, gathering and possession of forest products, surveillance, raid and confiscation of illegally possessed/transported/traded forest products/resources and prosecution of cases as provided for under the Rules of Procedure for Environmental Cases.

**IV. Participants:**

A total of 18 participants will be attending the said learning event and consultation composed of DENRO applicants from the Dumarang Bantay Bayan under the Local Government of Dumarang, Palawan.

**V. Name of Proponent:**

The proponent of the project is the Monitoring and Enforcement Section of this Office in coordination with Enforcement Division of DENR Region IVB MIMAROPA and the LGU/MENRO Dumarang, Palawan.

**VI. Date and Venue of Training:**

The training will be conducted on September 13-16, 2021 at Barangay Poblacion, Dumarang, Palawan

**VII. Budgetary Requirement:**

A total of Php 30,000.00 is allotted for the travelling expenses of the training team and will be charged against the Monitoring and Enforcement Section fund while the budget for food during the training is shouldered by the LGU Dumarang.
