Attention: **Engr. ROMAN G. LEGASPI**  
Chief, Surveys & Mapping Division

Sir,

Our Department is in the process of registration of CLOAs, with the Registry of Deeds, derived from the property of Ricardo Salas embraced by TCT No. T-6800 located at Brgy. San Rafael, Roxas, Oriental Mindoro. One of the requirements is the Encoded Technical Description (eTD) which the Subdivision Division of LRA was unable to upload in PHILARIS due to tie point issues.

Relative to this, may we request from your good office for GPPC (Geographic Position and Plane Coordinates) of the Tie Point of approved survey plan Psd-04-093657 (AR) and kindly furnish this office the said data for reference of LRA in the registration of CLOAs.

Thank you and anticipating your prompt action on the matter.
