## **REPORT ON THE PARTICIPATION OF PENRO ORIENTAL MINDORO TO THE CELEBRATION OF 33<sup>RD</sup> NATIONAL STATISTICS MONTH**

Pursuant to Proclamation No. 647 s. 1990, declaring the Month of October of every year as the National Statistics Month, the Provincial Environment and Natural Resources Office – Oriental Mindoro joined this celebration as acknowledgement of the importance of statistics in nation building and to the continuous development, management, protection and proper use of the environment and natural resources of the Province.

This year's NSM celebration was themed "Boosting the Country's Recovery with Informed Decisions, Better Policies". As taking part in the celebration, a poster was displayed through-out the month of October in the client's receiving area monitor. Tarpaulins were not used to comply with the "no single-use plastics" implementation including tarpaulins. The PENRO Oriental Mindoro also published its annual ENR Statistical Profile containing the Provinces' environment and natural resources data for FY 2021 in the PENRO Oriental Mindoro website - *denrormindoro.com*. It includes the data of the Provinces' Profile and the Sector's Statistics such as Forest Management, Land Management and Protected Area, Wildlife, Coastal and Marine Ecosystems. Planning Officer II Nestor G. Mira, Jr. Provincial Statistical Coordinator also participated in the 4<sup>th</sup> Provincial Statistics Committee Meeting held on October 20, 2022 at PSA Provincial Statistics Office, Calapan City and in the judging of the PSC Logo making contest.

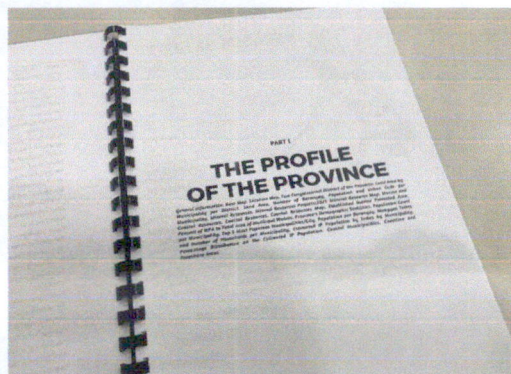

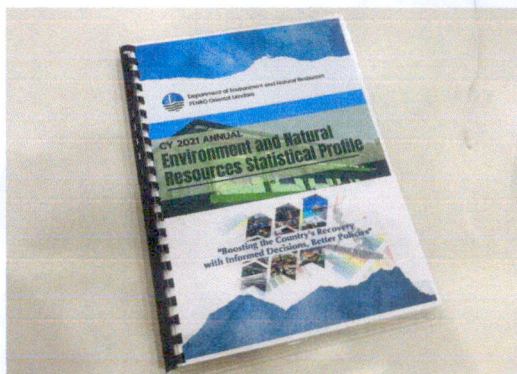

**Poster Display in the Client's receiving area**
