MEMORANDUM

FOR : The PENR Officer
DENR PENRO
Odiongan, Romblon

THRU : The Chief MSD

FROM : The Designated Information Officer

SUBJECT : ACTIVITY REPORT ON THE CONDUCTED “TAYO ANG KALIKASAN – ENVIRONMENTAL LECTURE” AT ODIONGAN NATIONAL HIGH SCHOOL (ONHS)

DATE : October 11, 2022

Respectfully forwarding the above-cited subject matter.

The “Tayo Ang Kalikasan – Environmental Lecture” was attended by 335 selected students from the Science Class of Odiongan National High School (ONHS) headed by Mr. Roque F. Falible, School’s Principal held at ONHS Covered Court dated September 9, 2022.

Further, the environmental lecture which includes a topic on RA 9003 or “The Ecological Solid Waste Management Act of 2000” was in relation to the celebration of National Clean Up Month every September.

Attached herewith are the following documents:

1. Activity Report on the “Tayo Ang Kalikasan – Environmental Lecture”
2. Photo Documentation
3. Attendance Sheet
4. Letter request to ONHS

For your information and record.

EUNICE MAY A. CACABELOS

**HIGHLIGHTS OF THE “TAYO ANG KALIKASAN - ENVIRONMENTAL LECTURE”
CONDUCTED AT ODIONGAN NATIONAL HIGH SCHOOL (ONHS) DATED
SEPTEMBER 9, 2022**

RATIONALE

The environmental lecture is one way of conducting an Information, Education, and Communication (IEC) campaign to establish a strong conviction in the heart and minds of the stakeholders in terms of protection, conservation, and management of the environment and natural resources. As schools are the avenue to educate students, PENRO Romblon extends the effort and use this place to create environmental consciousness in the mind of the students.

ACTIVITY REPORT

PENRO Romblon headed by the Chief of Management Services Division, Thelmo S. Hernandez conducted an environmental lecture “Tayo ang Kalikasan” at Odiongan National High School last September 9, 2022. The activity started at 7:00 in the morning and was conducted at the school’s covered court which was attended by 335 students and teachers. An opening program was held before the lecture proper and the school principal, Mr. Roque F. Falible, LPT, PhD gave his warm welcome to the guest, students, and teachers present in the activity. His enthusiasm was noticeable during his message since this lecture and alike activities that require students’ face-to-face gathering is now allowable. He reminds students to listen and give full attention to the lectures so that they will gain a deeper understanding of the importance of God-given nature. The PENRO Romblon Chief, MSD Thelmo S. Hernandez formally opened the activity by encouraging students to have a heart for the environment and natural resources that future generations will inherit. He also gives a short background of the Protected Areas found in the Province of Romblon.

As the lecture proper took place, the following topics were discussed:

1. Introduction and Role of Youth in the Environment
2. Orientation on Tayo Ang Kalikasan
3. RA 9003 or the Ecological Solid Waste Management Act 2000

The first topic discussed was the Introduction of DENR’s mandate and “The Role of the Youth in the Environment” given by Ms. Rachel Joy Baliguat, PENRO GAD Support Staff. The Department’s mandate was presented as its Vision, Mission, and Goal. DENR spearhead the protection, conservation, and management of the environment and natural resources. They are to encourage the citizens to take part in this endeavor. She gives emphasis on the famous message of our national hero, Dr. Jose Rizal, that “ang kabataan ang pag-asa ng bayan”, which is still applicable in today’s generation. She presented the things youth can contribute to the protection of the environment. The movement youths created will make a great impact on the environment and can inspire the future generation to continue the movement.

The Orientation on Tayo Ang Kalikasan was discussed by Ms. Dolly Jane Falcutila, the alternate focal person of the Tayo Ang Kalikasan Task Force. She shared that the creation of Tayo Ang Kalikasan goes beyond branding, but enhances partnerships with the different stakeholders from the community to develop a more sustainable environment and natural resources. This means that taking care of our environment and natural resources is not just the responsibility of the DENR, but by spearheading, the community will take their part in the protection and treat as their own, care as their own, and love as their own. Ms. Falcutila also shared with the students the Tayo Ang Kalikasan tagline, "Ikaw, Ako, Tayo Ang Kalikasan". Her lecture ended with a Pledge to Kalikasan recited by the students.

The last topic discussed was RA 9003 or the Ecological Solid Waste Management Act of 2000 delivered by the PENRO Information Officer, Eunice May A. Cacabelos. The topic started with how the world was so beautiful and peaceful that when humans came and continuously increased, destruction took place. The man that supposedly the one to take care of the earth was the one who ruined it. Garbage becomes voluminous that it causing environmental degradation on the earth. That is why, RA 9003 was passed to create discipline for people in terms of waste generation. The topic presents that garbage generators are households, industry, business establishments, hospitals, schools, agriculture, etc. and all of these contribute to the amount of unmanaged/mismanage garbage disposal. Waste Segregation at source was given emphasis wherein it is the backbone of effective waste management. The application of 3Rs to our garbage will really help to properly manage our waste. The Information Officer also presented the estimated period of how waste decomposes.

After the lectures, a video entitled "Maghiwalay" was played which portrays the segregation of non-biodegradable to biodegradable. Environmental trivia were given between lectures to maintain the attention and uplift the participation of the students. Prizes were given to the winners including load cards, IEC materials, and Tayo ang Kalikasan T-shirts.

For closing remarks, Mrs. Rosemarie G. Fabello, Head of Science Class, gave her appreciation message to the DENR personnels and those who attended the activity.

The activity ended at 11:00 in the morning.

School Principal IV
Odiongan National High School
Odiongan, Romblon

Dear Sir,

Makakalikasang Araw!

The DENR PENRO Romblon continually exerts effort to reach out stakeholders through the conduct of Information, Education and Communication (IEC) campaign to promote awareness in the community for the protection and conservation of our wildlife resources.

In view of this, may we request for your permission to display an exhibit of flora and fauna found in CALSANAG Watershed Forest Reserve and Mt. Guiting-Guiting Natural Park on September 6-9, 2022 inside ONHS Campus and to conduct an environmental lecture on selected 50 students on September 9, 2022, 9:00 – 11:30am. We believe that these activities will be of great help to educate students on the importance of taking care our environment and natural resources.

We are hoping for your positive response. Thank you for your continuous support and cooperation in the protection and preservation of our environment and natural resources especially our biodiversity.
