MEMORANDUM

FOR : The Community Environment and Natural Resources Officer

FROM : The Development Management Officer IV

SUBJECT : **OPTIONAL RETIREMENT OF ENGR. ROSITA F. CASTULO, (DMO IV) DEVELOPMENT MANAGEMENT OFFICER IV OF DENR-CENRO QUEZON, PALAWAN**

Submitting my letter of intention for optional retirement as DMO IV, with Salary Grade 22 of DENR-CENRO Quezon, Palawan effective December 31, 2022.

I'm working in our department for almost 37 years, 5 years being contractual & 32 years being permanent. I was given a first position with Salary Grade 10, as Land Examiner on January 19, 1991 and experienced various promotions as Land Mgt. Officer I, with Salary Grade 11. Then Land Management Officer III, with Salary Grade 18, and presently as Development Management Officer IV, with Salary Grade 22. And for almost 4 decades I contributed my life & efforts to our office, of which are worthy of reminiscence. I felt, so blessed and favored serving our co-personnel and constituents/clients, brings me to the stage of happiness & self-fulfillment.

My grateful appreciation and thankfulness to all my bosses, supervisors & colleagues for their support and assistance throughout my journey as public servant. At time, I was entrusted and designating as OIC of then CENRO Narra and CENRO Quezon, Palawan before CENRO Leonard T. Caluya reported as OIC-CENRO and Hearing Officer/ADRO, that conducted (ADR) Alternative Dispute Resolution Proceedings aside from my functions & duties as DMO IV.

As I look back to my journey-path, I have a self-realization that indeed God Almighty is a truly good and prospers me a lot. First, in my career, my job, being wife with 4 kids, my plans and dreams all come true. Second, my family and 4 children are all professional with high degree courses and 2 of them work overseas and 2 are employed locally with satisfying wages. I could retire with peace, joy and smile in my face that I almost finish my race in this life & that I will be receiving pension sooner.

Well, I could testify that I serve our government with utmost dedication & commitment finishing my task assigned to me. After December 31, 2022, I can relax and free to enjoy my time, family and finances to serve God thru mission.

The Ombudsman Case filed against me being member of (LIAC) Local Interior-Agency Committee in Narra, Palawan with Criminal Case & Administrative Charges were all dismissed for lack of probable cause & for substantial evidence.

Lastly, thank you my DENR Family for your love, protection & provision being my bread & butter for 37 years. I would say, I'm lucky & privilege to be part of this institution.

If God willing to give me 10 to 20 years to live, I desire to continue the DENR Mission greening the environment thru engaging in the organic farming.

For your information and assistance in processing my terminal leave benefits & incentives.
