MEMORANDUM

FOR : The CENRO
DENR-CENRO Puerto Princesa City

FROM : The Chief Monitoring and Enforcement Section
Puerto Princesa City

SUBJECT : **TRAINING/ORIENTATION ON THE DEPUTATION
OF ENVIRONMENT AND NATURAL RESOURCES
OFFICER (DENRO).**

On September 08, 2022, the undersigned personnel conducted an orientation for the deputation of the members of Bantay Palawan Task Force and some members of the LGU-Barangay of Tagpait as Deputy Environment and Natural Resources Officer.

- I. Training Title: Orientation-Training for Deputy Environment and Natural Resources Officer (DENRO)
- II. Background and Rationale

Aborlan is politically subdivided into 19 Barangays. The municipality has a land area of 807.33 square kilometers or 311.71 square miles which constitutes 5.51% of Palawan's total area. It has more or less 40.8kha natural forest with only Five (5) Forest Rangers assigned from CENRO Office patrolling the vast forest land area of the municipality.

Since its inclusion to the jurisdiction of CENRO Puerto Princesa, several apprehensions were already made. LAWIN patrols recorded several threats such as timber poaching, kaingin and other forestry law violations.

According to the data of Global Forest Watch, from 2002 to 2021, Aborlan lost 1.42kha of humid primary forest, making up 23% of its total tree cover loss in the same time period. The total area of humid primary forest in Aborlan decreased by 5.4% in this time period.

The data shows that forest degradation continues, hence, the forest protection efforts in combating the rapid forest loss must be strengthened and a collaborative effort of different stakeholders is necessary to address this issue.

On May 19, 2002, a DENR-DILG Joint Memorandum Circular No. 2003-01, was issued. These agencies realized the need for the involvement of local government units (LGUs) in managing forestland resources in line with existing laws. The circular states that "the collaboration and partnership between DENR and DILG in supporting LGUs to protect, develop, and manage forestland resources will improve the overall health of the Philippine environment, uplift the socio-economic condition of upland communities, conserve biodiversity, strengthen food and fiber security, and stabilize the supply of water from watersheds. Various laws and policies call for the effective partnership between the DENR and LGUs. Republic Act No. 7160 otherwise known as the Local Government Code of 1991 devolved certain forest management functions to LGUs. DENR also issued Department Administrative Order No. 92-30 entitled "Guidelines for the Transfer and Implementation of DENR Functions Devolved to the Local Government Units." In 1998, DENR and DILG issued Joint Memorandum Circular No. 98-01 entitled "Manual of Procedures for DENR-DILG-LGU Partnership on Devolved and Other Forest Management Functions".

In compliance to the mandates of these issuances/orders, one of the initiatives that Local Government did was the creation of a taskforce. However, in the implementation of forestry policies especially filing of criminal cases in court for the violation of forestry laws, issues in deputation of their personnel arised.

Given the foregoing, it is very timely then that the Bantay Palawan Taskforce of the Provincial Government of Palawan requested for deputation of their Bantay Palawan Personnel as Deputy Environment and Natural Resources Officer (DENRO's). The Taskforce has been an active partner the CENRO PPC in conducting patrolling and apprehension of forestry law violators in the Municipality of Aborlan, and of the DENR in implementation of environmental laws in the entire province Palawan. With the manpower and resources of the LGU-Palawan and the technical knowledge of this Office regarding ENR laws, this partnership thru deputation will surely provide a great support in combating forestry and other environmental problems.

The orientation-training as the necessary requirement for the deputation was conducted thru the collaborative efforts of the Bantay Palawan Task Force, Barangay LGU of Tagpait and DENR CENRO.

III. Objective

The general objective of the orientation-training was to equip the Deputies of knowledge and information regarding relevant environmental laws, policies, rules and regulations implemented by the DENR.

The activity was held at the Barangay Gymnasium of Barangay Tagpait Aborlan Palawan. It was attended by Punong Barangay Dante P. Obar of Tagpait and Program Director of Bantay Palawan Task Force P/Gen. Reynaldo B. Jagmis (PESE) Ret. who both gave their welcome message and insights about forest protection to all the participants attended.

All participants completed the training/seminar and pass the assessment test and therefore all recommended for deputation provided that they comply with the documentary requirements as required under DAO 2008-22.

The members of Bantay Palawan Task-Force who joined and completed the training seminar for deputation were assigned to different municipalities in the south of Palawan like Sofronio Espanola, Rizal, Quezon, Narra and Aborlan. Out of 5 municipalities, only Aborlan is under the jurisdiction of CENRO Puerto Princesa City. Hence, those assigned in different municipalities were given advice to coordinate to the CENR Office concerned who has jurisdiction over the area where they are assigned for the recommendation of the CENRO for their deputation.
