MEMORANDUM

FOR : The Regional Executive Director
MIMAROPA Region

THRU : The ARD for Technical Services

FROM : The In-charge, PENR Officer
Oriental Mindoro

SUBJECT : **SUBMISSION OF REPORT ON THE ACTIVITIES
CONDUCTED IN CELEBRATION OF 59TH FISH
CONSERVATION WEEK IN CENRO SOCORRO, ORIENTAL
MINDORO**

Submitted is the report of CENRO Socorro on the conducted activities in support to the observance of the 59th Fish Conservation Week, pursuant to the Presidential Proclamation No. 316 series of 2017 and Marine and Archipelagic Nation Month (MANA).

The said office displayed a *Tarpapel* (an improvised tarpaulin made of paper) during the whole month of September. Other activity conducted was the dispersal of 10,000 Bangus fingerlings in Naujan Lake particularly in the part of Barangay Batongdalig, Socorro, Oriental Mindoro.

For information and record.

DATE:	OCT 07 2022
TIME:	

Respectfully submitting the report on the activities conducted by CENRO Socorro in celebration of the 59th Fish Conservation Week. This is related to the letter of BFAR MIMAROPA Regional Director Elizer S. Salilig received by our Office on September 8, 2022 regarding the request for cooperation in the observance of the said celebration which is held every third week of September as per President Proclamation No. 316 series of 2017 (amending Proclamation No. 176 series of 1963) and Maritime and Archipelagic Nation Month (MANA Month).

The following activities are conducted in support of the 59th Fish Conservation Week:

- Display of *tarpapel* (improvised tarpaulin made of paper) in front of the receiving area of CENRO Socorro Office starting September 14, 2022 until end of the month, and
- 10,000 bangus (*Chanos chanos*) fingerlings were dispersed in Naujan Lake particularly part of Barangay Batongdalig, Socorro on September 28, 2022.

Attached are photos during the conduct of said activities.

For information and record.

MEMORANDUM

FOR : The CENR Officer

FROM : Senior ECOMS / PASu, NLNP

SUBJECT : **SUBMISSION OF REPORT ON THE ACTIVITIES CONDUCTED IN CELEBRATION OF 59TH FISH CONSERVATION WEEK IN CENRO SOCORRO, ORIENTAL MINDORO**

This pertains to the letter of BFAR MIMAROPA Regional Director Elizer S. Salilig received by our Office on September 8, 2022 regarding the request for cooperation in the observance of 59th Fish Conservation Week which is held every third week of September as per President Proclamation No. 316 series of 2017 (amending Proclamation No. 176 series of 1963) and Maritime and Archipelagic Nation Month (MANA Month).

Please be informed that a *tarpapel* (improvised tarpaulin made of paper) was displayed in front of the receiving area of CENRO Socorro Office starting September 14, 2022 until end of the month so that employees as well as the clients and visitors will be informed and aware of the said celebration. The *tarpapel* is used in compliance to the DENR MIMAROPA Regional Special Order No. 219 series of 2022 – *Reiteration of the Prohibition on the Use of Styrofoam and Single-use Plastics in DENR MIMAROPA Regional and Field Offices*.

Part of the celebration, 10,000 bangus (*Chanos chanos*) fingerlings were dispersed in Naujan Lake particularly part of Barangay Batongdalig, Socorro on September 28, 2022. The activity was initiated by BFAR MIMAROPA and CENRO Socorro thru Naujan Lake National Park – Protected Area Management Office (NLNP-PAMO). This activity aimed to restock fish in the lake to support the biodiversity and economic needs of every stakeholders. The fingerlings were dispersed at least 100 meters from the lakeshore. The activity is also supported under NLNP-PAMB Resolution No. 4, Series of 2021 titled Resolution endorsing the “Balik Sigla sa Ilog at Lawa” (BASIL) Program of Bureau of Fisheries and Aquatic Resources (BFAR) MIMAROPA in Naujan Lake National Park (NLNP), whereas, based on the studies conducted by BFAR in Naujan Lake from 1970-1996, fish production trends for endemic, exotic and migratory fishes has been declining, hence, dispersal of native Bangus or Milkfish in the lake has been proposed.

Attached are photos during the conduct of said activities.

For information and record.
