Department of Environment and Natural Resources
PENRO Marinduque

MR. EDGAR R. CASTILLO
Director and Manager, Operations PH
Chevron Philippines Incorporated
6th Floor 6750, Ayala Avenue, Makati City

Dear Mr. Castillo:

This is to acknowledge receipt of your answer to our Notice To Vacate dated July 21, 2022 regarding the area being occupied by Chevron Philippines Incorporated, formerly Caltex Philippines Incorporated, located in Brgy. Balogo, Sta. Cruz, Marinduque.

Relative to your request for an extension of time, you are given another grace period considering that you are already preparing the necessary turn-over report to this Office. However, your company should constantly coordinate with this Office so that you will be properly guided in the conduct of rehabilitation or clean-up before you vacate the area. You are required to submit rehabilitation plan and you may also be required to conduct Toxicity Characteristic Leaching Procedure (TCLP) based on the result of inspection. The timeline and grace period will be determined and decided upon once we received your proposal.

Looking forward for your cooperation and compliance.

Very truly yours,

IMELDA M. DIAZ
OIC-PENR Officer

Copy Furnished:

- **The Regional Executive Director**
DENR, MIMAROPA Region
Roxas Blvd., Emita, Manila
- **The Regional Director**
Environmental Management Bureau
Roxas Blvd., Ermita, Manila
