Re: 22EH0134 - Construction of Causeway, Poblacion, Calatrava, Romblon

Dear Mr. Blaza:

We refer to our letter dated October 6, 2022. We have been informed that you have visited the Project site the next day and was able to talk to the concerned officials in LGU Calatrava.

In this regard, we would like to request a copy of your investigation or report from the said visit once available. We hope to know if the Project was given the appropriate permit/s by DENR prior to its implementation. If not, upon your visit and inspection, what is this good office's findings in the legality of the said Project and its environmental impact?

We hope for a favourable action on this request.

Thank you.

Sincerely,

Dr. Ronn Jon F. Fortu
