Dear Atty. Bagalihog,

I am writing to formally request for a consideration for the validity of our water test dated March 11, 2020. Due to the increasing number of COVID -19 positive in the Province of Palawan, travel restrictions were imposed. During the pandemic, our tourist inn temporarily closed down in compliance to the strict health protocol imposed by the Municipality, of El Nido and we only resume our operation on April 2022.

In view of the above, I was not able to submit my Water Permit Application. Hence, I am humbly requesting your office for consideration for our water test result. In the event that you require the latest result of bacteriological test, I will commit to comply and submit it in the soonest possible time.

Hoping for your consideration on our request.

Sincerely,

Mayflor T. Dasalla

**ATTY. ELINETO M. BAGALIHOG**  
Chief, Water Rights Division  
National Water Resources Board  
8<sup>th</sup> Floor, NIA, Bldg., EDSA, Quezon City

Dear Atty. Bagalihog,

Greetings!

Respectfully submitting our Water Permit Application with our explanation/justification:

J. Brief description of the project.

1) How water will be used and amount of water needed

We are connected to the EL NIDO Palawan Water System and it is our main source of the water for the daily operation of our inn. The water from the shallow well be used only for bathing, cleaning, and watering of plants. The inn needs approximately 1 to 5 L/S of water.

2) Measures to avoid water pollution

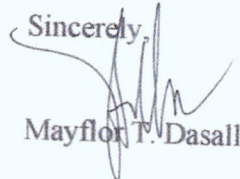

The Inn is currently connected to the Sewage Treatment Plan (STP) of the Provincial Government of Palawan/Municipal Government of EL Nido where all our waste/used Water flows for treatment prior to discharge to prevent water pollution.

K. Well drilling data

The well was already built prior to the development of the area into a tourist inn and we just enhanced the said well. Also, during the construction of the well, we have no knowledge of any NWRB accredited well drillers in our area. Thus, we have no well drilling data available.

Hoping for your consideration and understanding.

Sincerely,

  
Mayflor T. Dasalla
