MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA
1515 L&S Bldg., Roxas Blvd.
Ermita, Manila

FROM : The Provincial Environment and
Natural Resources Officer

SUBJECT : **PROGRESS REPORT ON TECHNICAL ASSISTANCE TO LGU
IN MAINSTREAMING THE INTEGRATED COASTAL
MANAGEMENT (ICM) TO CLUP FOR THE 3RD QUARTER CY
2022**

Forwarded is the memorandum dated September 30, 2022 from the Chief of Conservation and Development Section (CDS) along with the Progress Report on the Technical Assistance to LGU in Mainstreaming the Integrated Coastal Management (ICM) to Comprehensive Land Use Plan (CLUP) for the 3rd Quarter CY 2022.

Please be informed that as of the 3rd quarter, this office accomplished 85% of activities for the inception phase. The remaining activities for the inception phase is the mapping and validation of river systems. The inventory/database of the status of LGUs' CLUP, CDP and ICM is already completed as to this date, final report will be submitted once finalized. For the mainstreaming phase, 50% of the activities are already accomplished, and the succeeding activities was already scheduled by the Local Government Unit (LGU) of Narra, Palawan.

This serves as Means of Verification (MoV) for the target activity under CMEMP – Technical Assistance on Integrated Coastal Management (ICM).

For information and record.

**PROGRESS REPORT ON TECHNICAL ASSISTANCE TO LGU IN
MAINSTREAMING THE INTEGRATED COASTAL MANAGEMENT (ICM) TO
CLUP FOR THE 3RD QUARTER CY 2022**

Submitted is the Progress Report on the target activity under the Management of Coastal and Marine Resources/Areas- Technical Assistance on Integrated Coastal Management (ICM). Please be informed that the following activities were conducted/accomplished following the Biodiversity Management Bureau (BMB) Technical Bulletin No. 2022-02.

I. Inception Phase

Creation of DENR Regional Composite Team with clear-cut task and outputs

This office already submitted names for the creation of the DENR MIMAROPA Composite Team on ICM Mainstreaming to CLUP through memorandum dated September 7, 2022 (attached), as to this date, the approved RSO have not yet received by this office.

Status of the LGU's CDP, CLUP and ICM

The filled-out form on the Status of the Local Government Units' (LGUs) Comprehensive Development Plan (CDP), Comprehensive Land Use Plan (CLUP) and Integrated Coastal Management Plan (ICMP) in the Province of Palawan has not yet completed. As of this date, only the Municipalities of Quezon, Rizal, Narra, Taytay, El Nido, Roxas, Araceli, Dumarán and San Vicente has input in the said form, however, the CENROs concern for the remaining LGUs who hasn't filled-out yet the form was requested by this office to provide the needed data for the ICM database. Attached is the updated form as of this date.

Mapping of River Systems and ENR Profiling

Attached are the maps of the river systems per municipality reflecting the major rivers. The maps were referred to the CENROs through memorandum dated September 27, 2022 (attached) for verification and validation.

Identification of LGU to be prioritized for ICM mainstreaming

Considering the criteria for prioritization to identify the Local Government Unit (LGU) for ICM mainstreaming, this office identified the Municipality of Narra. The said municipality is currently updating their Comprehensive Land Use Plan (CLUP) and has an existing Integrated Coastal and Fisheries Resource Management Plan (ICFRMP) for 2015-2024. In terms of partnership with the LGU, they have been actively involved in managing the Rasa Island Wildlife Sanctuary (RIWS) as one of the PAMB members.

Other activities conducted was the coordination with the LGU of Narra on August 10, 2022 and the Roll out of the Technical Bulletin No. 2022-02, conducted on September 13, 2022 at PENRO Training Hall, Puerto Princesa City, Palawan.

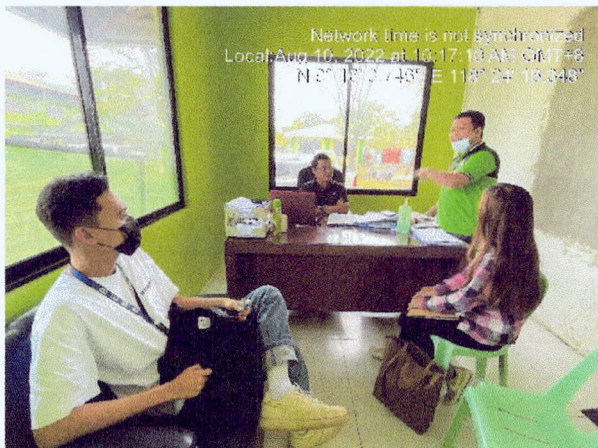

II. Mainstreaming Phase

STEP 1. Organize

The LGU of Narra was informed that this office identify the municipality to extend technical assistance in updating their CLUP to ensure that the Integrated Coastal Management (ICM) approach will be mainstreamed to their CLUP through the letter dated August 8, 2022 (attached) and discussed it further through the conducted coordination activity on August 10, 2022.

Courtesy Call to the Office of the Mayor

Coordination with the Municipal Planning and Development Office (MPDO) (left) and Municipal Agriculture Office (MAO)(right)

STEP 2. Identification of Stakeholders

Prior to the coordination conducted on August 10, 2022, the LGU of Narra already include the DENR in the Planning Core Group through Memorandum Order No. 032 dated August 1, 2022 (attached). In the same Memorandum Order, the Planning Core Group was notified for the briefing/orientation conducted on August 9, 2022 at the Centerpoint Function Hall, Narra, Palawan.

STEP 3. Vision Setting

Activities for vision setting was conducted through a workshop on September 27, 2022 at the Centerpoint Function Hall, Narra, Palawan. It was attended by the Planning Core Group and Support Group. The approved Vision and Mission of the Municipality of Narra is:

Vision

“The Municipality of Narra is the Agri-Business and Eco-Tourism Center of Southern Palawan with Empowered and Healthy People, Disaster-Resilient, Safe and Drug-Free Communities, Effective and Transparent Governance and Progressive Economy supported by Well-Developed Infrastructure Facilities and Utilities in an Ecologically-Balanced Environment by the year 2028”

Mission

“The Municipality of Narra is committed to promote the General Welfare of its People thereby ensuring and supporting the provision of Basic Services and Facilities that entails Optimum Human Development Upliftment of Human Dignity and Achievement of a Better Quality of Life”

Workshop No. 3 conducted on September 27, 2022 at the Centerpoint Hall, Narra, Palawan

STEP 4. Analysis of the Situation

Activities for situational analysis was conducted through workshops on September 2, 2022 and September 8, 2022 at CenterPoint Hall, Narra, Palawan. The workshops are intended for the inventory of existing land and water uses and prevailing development trends. This office actively participated in the workshop and provided spatial data and other related documents (attached) for the said workshops. The output of the workshops was presented during next workshop conducted on September 27, 2022.

Photos during the Presentation of the output from the DENR and PENRO Felizardo B. Cayatoc giving insights on some issues and concern within the Municipality of Narra.

HON. GERANDY B. DANAOS
Municipal Mayor
Narra, Palawan

THRU: The Municipal Environment and Natural Resources Officer &
The Municipal Planning and Development Coordinator

Dear Mayor Danao,

Greetings!

This pertains to the target activity of this office to provide technical assistance on the mainstreaming of Integrated Coastal Management (ICM) approach to the Comprehensive Land Use Plan (CLUP) of LGUs in the Province.

This office coordinated with the Provincial Planning and Development Office (PPDO) regarding the status of CLUP of LGUs and since the Municipality of Narra will be updating their CLUP, this office would like to extend technical assistance in this endeavor.

The Biodiversity Management Bureau (BMB) issued a technical bulletin as guide in ensuring the mainstreaming of ICM in the LGU's CLUP. The 1st phase is the inception phase which entails preparatory works and activities including the mapping of river systems and profiling the Environment and Natural Resources of the area.

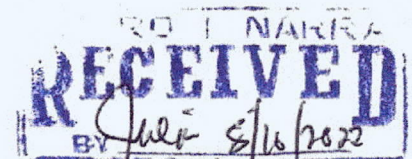

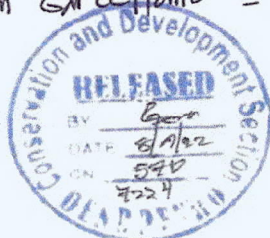

In connection with this, may we respectfully request for available data needed for the above mentioned activity such as maps of the river systems and ENR Profile of the Municipality of Narra.

Personnel of this office will be coordinating with your office on the matter.

Thank you.

Enr. Ronaldo Felizardo - 0917-773-4747
MPDC

Enr. Ervin Garcellano - 0919-008-2863
AMPDC

Very truly yours,

FELIZARDO B. CAYATOC
