DATE: SEP 30 2022 CN 5611

This pertains to the target activities of site preparation and out-planting under the Enhanced National Greening Program CY 2022.

Please be informed that as of the moment, the activity for plantation establishment was not accomplished by these quarter because the Work and Financial Plan (WFP) of NGP was approved June 9, 2022 as per memorandum of the OIC- Director of Policy and Planning Division Melinda C. Capistrano and the target site for reforestation has no registered association or no qualified contractor, hence we transfer the target site in Brgy. Bato, Taytay, Palawan on the proposed watershed of the Barangay and awarded the contract to the registered People's Organization, the Bato Multi-Purpose Cooperative (BMPC).

Further, we are on the stage of hardening and preparing the seedling produced to be out plant this October 2022. I have already conducted meeting and coordination with the members of the Bato Multi-Purpose Cooperative on the activities of site preparation and out planting. The staff of NGP continuously monitoring and assisting the contractor to ensure the accomplishment of the target.

For information and record.

NIKKIE C. EDEP
