MEMORANDUM

FOR : The Regional Executive Directors
All Regions except CAR

FROM : The OIC Director

SUBJECT : **INVITATION TO THE ORIENTATION ON COASTAL AND MARINE ECOSYSTEMS MANAGEMENT PROGRAM (CMEMP) AND THE HARMONIZED GENDER AND DEVELOPMENT GUIDELINES (HGDG)**

DATE : OCT 19 2022

This pertains to the commitment of the Coastal and Marine Ecosystems Management Program (CMEMP) to Gender and Development (GAD). The BMB Coastal and Marine Division will conduct an Orientation on CMEMP and how the Program is implementing its GAD activities with the guidance of the Harmonized Gender and Development guidelines.

With respect to GAD, it is imperative that fair and equitable participation of women and men in coastal and marine activities is ensured to achieve sustainable management of our natural resources. Different roles and responsibilities assigned by society to women and men define the nature of their relationship with biodiversity and ecosystems.

The HGDG, developed by the Philippine Commission on Women (PCW), is a tool used that ensures programs and projects undertaken by the government are gender sensitive and responsive. This tool provides guidance in preparing GAD Plans and Budget (GPB) and in identifying strategies to address gender gaps and issues.

As such, may we respectfully invite you or representatives from the following offices to attend the above online event scheduled on **11 November 2022**.

1. Conservation and Development Division (CDD)
 - a. Coastal Resources and Foreshore Management Section (CRFMS)
