Sir/Ma'am:

This has in connection to the attached xerox copy of memorandum dated July 23, 2007 of former RED Vicente S. Paragas, "re-cancellation of CLOA of Alan Tan Pe situated at Barangay Babuyan Puerto Princesa City," as this is the very same area where our CSC's were issued, in fact renewed.

Please bear with me if I have to send again a letter to your office relative to the above-mentioned memorandum as there seem to be no compliance or action taken thereon by the local DENR office in Palawan. Mr. Pe continued to assert that this area is titled to him when in fact, we as ISF beneficiaries are in actual occupation/possession and continue to develop our respective areas in compliance to the stewardship agreement. We are deeply confused how Mr. Pe was able to have this timberland area titled to him or his predecessors. Perhaps your office can project or determine the veracity of this fact.

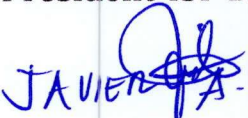

May we therefore request an immediate investigation so that appropriate steps can be taken to diffuse tension in this area.

Maraming salamat po!

Very truly yours,

Nellie Favila
