A. PRELIMINARIES

The PAMB meeting started at 9:40 in the morning with a prayer led by Ms. Maian P. Alvillar followed by the singing national anthem.

B. MEETING PROPER

I. Determination of Quorum

Ms. Reina Rose C. Abordo made a roll call of members and declared the quorum ten (10) out of thirteen (13) PAMB ExeCom members present, she then confirmed the presence of a quorum.

60 **II. Call to Order**

61
62 In the absence of the Committee Chairperson, Mr. Conrado N. David was voted to act as
63 the presiding officer.

64
65 The presiding officer then called the meeting in order.

66
67 **III. Presentation and approval of the Provisional Agenda**

68
69 Upon the direction of the Presiding Officer, Ms. Abordo presented the provisional agenda.
70 The presiding chair asked the body if there are comments, verification and suggestion. Additional
71 agenda were included as raised by the presiding officer. The following were the approved agenda
72 of the meeting:

- 73
74 1. Proposed filming activity of Philippine Film Studios Inc. (PFSI) to conduct Koh
75 Lanta (French Survivor) in the islands of El Nido-Taytay Managed Resource
76 Protected Area (ENTMRPA), El Nido, Palawan on October 14-November 25,
77 2021; and,

78
79 Additional agenda from RED:

- 80 1. Issue in STP within PA and PAMB clearance; and,
81 2. GEM activities with emphasis on 40 m easement pursuant to ENIPAS. The
82 PAMB should know requirements and implication of application of ENIPAs.

83
84 Additional agenda from the Committee:

- 85 1. Status meeting of private owner including islands and travel and tours
86

87 Without further comments, Mr. Jose Alferez, the representative of El Nido Foundation
88 (ENF) moved for the adoption of the provisional agenda and was seconded by Engr. Daria Ebor, the
89 Municipal Planning Development Officer (MPDO) and the Chairman of Project Development
90 Committee.

91
92 The Committee members adopted the provisional agenda.

93
94 **IV. Review and approval of the minutes of the previous meeting**

95
96 The presiding officer sought for comments, clarifications or corrections in the minutes of
97 the previous meeting.

98
99 Since there were no more corrections on the minutes, Mr. Jose A. Alferez moved for its
100 approval and it was duly seconded by Mr. Raffy Nur. The minutes of previous meeting dated on
101 August 8, 2021 has been approved.

102
103 **V. Matters arising from the minutes of the previous meeting**

104
105 Mr. David inquired on the status of SAPA application of Brgy. Pasadena, any status and
106 what will be their decision.

107
108 APASu informed that they requested of technical conference and still waiting for their
109 schedule.

110
111 Mr. David instructed the secretariat to follow up. He further asked the situation regarding
112 high coliform count in El Nido even without tourist influx.

113
114 APASu answered that according to the report of Environmental Management Bureau
115 (EMB), aside from industrial establishments, residential houses are also contributors, he further

added that the said results was forwarded to the mayor's office and sanitation officer. But the sanitation officer did not respond on this matter.

As there were no other matters arising from the previous minutes, the body agreed to proceed with the meeting.

VI. Business of the Day

1. Proposed filming activity of Philippine Film Studios Inc. (PFSI) to conduct Koh Lanta (French Survivor) in the islands of El Nido-Taytay Managed Resource Protected Area (ENTMRPA), El Nido, Palawan on October 14-November 25, 2021

Mr. Joseph Santos and Mr. Nikolo Juban made a brief background regarding their survivor games and the dates of their filming activities.

Accordingly, aside from the promotional videos they are making, they also conduct coastal clean-ups on their filming sites to ensure that no debris are left behind.

They also presented their proposed temporary structures for tribal council to be built between Lio Estate and DENR Property Cove 4, Dibuluan Island and Manlag are identified areas for the filming. It was also presented that, 81% of their staff are residents of El Nido and 48% of El Nido owned land vehicles and sea vessels will be used to aid the jobless residents due to pandemic.

Moreover, the proposed activity was approved by the Inter-Agency Task Force (IATF) signed by Atty. Charade B. Mercado-Grande and Mayors Special Permit signed by Hon. Edna G. Lim.

After the presentation, CENRO Alan L. Valle asked the Secretariat if the proponent do not have a pending issue or violation with the management rules and regulations.

APASu Casel answered that aside from the delay of furnishing the copy of videos, there is no violation recorded with the management.

CENRO Valle followed up a question regarding their filming fees. APASu Casel, answered that the proponent was already informed. They are aware that payment must be settled prior filming and it was confirmed by the proponent.

PENRO CDS Chief Rhodora Ubani recommended additional inputs in the terms and conditions that the proponent must inform the management in case of delayed furnishing copy of videos.

Ms. Christina Rodriguez, representative from PCSD, asked if the activities will involve wildlife. The proponent ensured that no wildlife will be harmed during filming.

Ms. Rodriguez further asked what are the Protected Area zones of the identified filming sites. She further recommended to validate the sites and if it falls within the Restricted Use Zone, the proponent must adjust their location. She added that for the next filming proposal, the proponent should secure ECAN Certification to ensure that they do not utilize the Restricted Use Zones.

The secretariat explained to the proponent of what Restricted Use Zone means, as they were unaware about it and they assured the Committee that they will comply with suggestion of PCSD.

171 CDS Chief Ubani agreed with the recommendation of PCSD. She also emphasized that
172 this project is for approval of the Committee and validation of the areas.
173

174 The Secretariat made some clarifications, regarding the propose use of seaplane, it was
175 mentioned by Mr. Santos last meeting at PAMO that they will be using one in Cadlao Lagoon and
176 they were advised that this is not allowed in Protected Area. Mr. Santos further answered that they
177 amend the segment using seaplane to another place, specifically not in Bacuit Bay or inside PA.
178

179 Without further queries, Mr. Alferez motioned for the approval of the proposed filming
180 entitled "Survivor France", duly seconded by Ms. Rodriguez subject for validation and
181 assessment of the filming sites.
182

183 The Board voted for the approval of the proposed filming subject for validation and
184 assessment of the filming sites.
185

186 **2. Issue in STP within PA and PAMB Clearance**

187

188 The Presiding Chair queried if this project is for approval, APASu Casel answered that
189 Regional Executive Director (RED) requested to tackle the said matter.
190

191 Ms. Bangalisan, presented the Sewage and Solid Waste Treatment Plant located at Sitio
192 Batbat, Bgy. Villa Libertad, El Nido, Palawan. Accordingly, the said project was supported by a
193 PAMB Resolution 2017-010 entitled "A resolution favorably endorsing El Nido Sewage & Solid
194 Waste Management Treatment Plant project of Local Government Unit represented by. Hon.
195 Mayor Nieves C. Rosento, El Nido, Palawan".
196

197 The proponent is requesting for tree inventory, easement certification and PA Zoning dated
198 September 7, 2021. PAMO acted to their request and the following are the findings during the
199 inspection on September 17, 2021: Fourteen (14) trees were recorded, covering an area of 2.4
200 hectares without reducing the easement requirement, falls within the multiple use zone of the
201 approved ENTMRPA PAMP Terrestrial Management Plan. It was recommended that application
202 must be reviewed prior issuance of PA Zoning and Easement Certification. Other
203 recommendations per memorandum dated September 23, 2021 were, advise the proponent to
204 secure Tenurial Instrument, Environmental Compliance Certificate, Permit to Operate and Submit
205 documents to the PAMO and PAMB.
206

207 APASu mentioned that the area is in timberland. He further added that the project was
208 endorsed and approved by the PAMB but it was not deliberated by the Project Development
209 Committee (PDC) and this project do not have documents submitted to PAMO.
210

211 He further reiterated that as per letter dated September 3, 2021, PAMO requested the
212 proponent to furnish this office a copy of their complete set of PAMB documents. To date, no
213 response is received by this office.
214

215 It was recommended that the project still has to be tackled in PDC to review their pertinent
216 papers.
217

218 **3. GEM activities with emphasis on 40 m easement pursuant to ENIPAS**

219

220 The presiding officer reminded that the matter was tackled last meeting and asking for
221 additional comments of RED.
222

223 CENRO Valle answered in the absence of RED, he clarified that 40 meters easement must
224 be followed within PA. He further reiterated that in Bgy. Corong-corong, 3 meters was observed
225 which is in violation of the imposed 40 meters easement.
226

227 The PAMO was tasked to present the easements of Barangays in compliance with the 40
228 meters on next PAMB meeting.

229
230 It was noted by the Secretariat.
231

232 **VII. Committee Updates**

233 **a. External, Communication and Public Information Committee Updates**
234

235 Ms. Abordo, summarized the agreements during the conduct of External Communication
236 and Public Information Committee meeting conducted on September 12 and 22, 2021 at PAMO
237 Conference Room, Bgy. Masagana, El Nido, Palawan. Mr. Conrado David was appointed as the
238 Vice-chairman of the committee during the meeting.
239

240 She further explained the preparations for the celebration of 23rd ENTMRPA anniversary
241 as well as the topics for the proposed Capacity Building of the PAMB members. Unfortunately,
242 the proposed activities was postponed due to the alarming rise of covid positive in the municipality.
243

244 **VIII. Other matters**

245 **a. Status meeting including Private Owners and Travel and Tours**
246

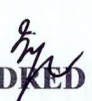

247 APASu made updates regarding their ocular inspection on the islands with claimants and
248 the PAMO already made written communications with the identified claimants. Unfortunately,
249 claimants in some islands were not identified and their guards are unaware of the owners.
250 However, it was suggested that the PAMO will be conducting a follow-up inspection on the
251 islands.
252

253 **IX. Adjournment**
254

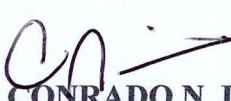

255 Having no agenda to discuss, Ms. Rodriguez motioned for the adjournment of the meeting
256 duly seconded by Mr. Alferez at about 12:14 in the afternoon.
