MEMORANDUM

TO : The Community Environment and
Natural Resources Officer
Coron, Palawan

THRU : The Chief, Conservation and Development Section

FROM : ECOMS II/ Green Fins Focal

SUBJECT : **SUBMISSION OF REPORT ON THE CONDUCTED GREEN FINS
AWARENESS AND INFORMATION, EDUCATION, AND
COMMUNICATION CAMPAIGN**

In reference to the implementation of Green Fins, the DENR-CENRO Coron conducted Green Fins Awareness and Information Education and Communication Campaign to dive shop operators and divers of Coron, Palawan on September 9, 2022 at Sikangay Hall, CENR Office, Bgy. Poblacion 5, Coron, Palawan. Said activity was actively participated by 15 members from Coron Divers Association Incorporated headed by CDAI President Reynaldo Baroña.

During the activity, both facilitators and participants were able to exchange relevant information that will be vital for the implementation of activities of Green Fins in Coron. FT I Nikki Ripalda and FT II Ariel Delin II presented the importance of coral reefs and Green Fins initiative and Code of Conduct on responsible diving behavior, respectively. Likewise, the participants were able to share their knowledge and experience on handling guest's behaviors that harms the corals during diving operations. Certain issues and concerns were also raised particularly on improper anchorage by boat operators and placement of buoys and safety mooring lines on diving areas that has been a long issue of marine tourism in Coron. They have suggested that before the implementation of Green Fins, tourism sector of LGU Coron must also be tapped especially the tour and boat operators.

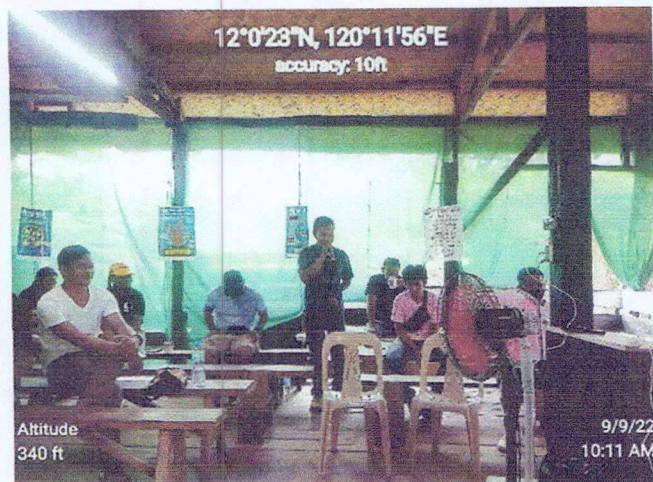

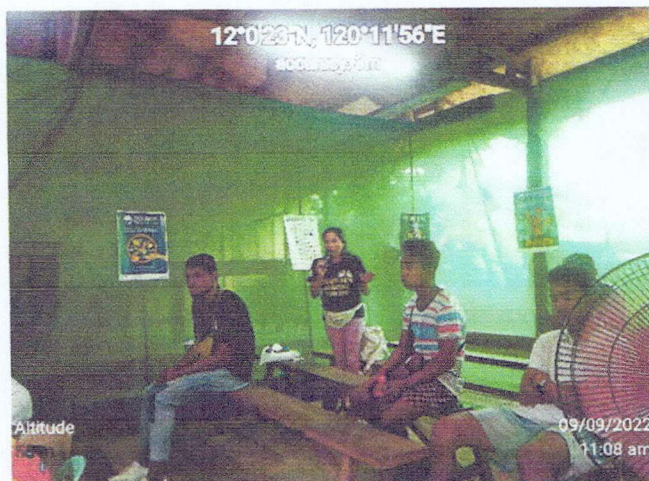

Moreover, the participants were given Green Fins conservation tools and other IEC collaterals before the end of the activity. They have committed to be involved on future activities towards conservation and protection of marine ecosystem which is the source of their livelihood.

Attached herewith are geotagged photos during the conduct of said activity.
