FROM : The Forest Ranger/Deputized Public Land Inspector/Lot Verifier/Cartographer

SUBJECT : **REQUEST PERMISSION TO STUDY**

For career and personal development, I am requesting from your good office to allow me to study at the Manuel S. Enverga University Foundation, Lucena, Quezon to start this 1st semester of SY 2022-2023 to equip me professionally for the good of public service. If permitted to study, classes will be via zoom on Saturdays and Sundays. Hence, it will not disrupt my duties and functions at the Office.

I am Hilmar Marasigan Villaflores of DENR Occidental Mindoro holding the position of a Forest Ranger. In April, 2012, I was employed as Contractual Cartographer with the duty to lay-out lot survey conducted on the ground to include the research of its technical boundaries and the preparation of V-37. In October, 2015 I was appointed to permanent position as Forest Ranger assigned at the protected area to do patrol works and surveying activities. In 2020, I was assigned at the Regulations and Permitting Section (RPS) and designated as Lot Verifier, Deputize Public Land Inspector and a member of the Survey Team under the supervision of a professional Engineer assigned on land/lot surveying and doing cartographic works.

With my current designation, I once dreamed of being a professional Geodetic Engineer so that I will be more knowledgeable on land disposition wherein our Office, the DENR's one of the mandates.

In this connection, I am praying that this request be granted to help our Office' clients/stakeholders mostly the under privilege for their land concerns on land titling.

Thank you and God bless.

For information and kind consideration.
