SUBJECT : TREE PLANTING ACTIVITY IN BRGY. PINAGTURILAN,  
STA. CRUZ, OCCIDENTAL MINDORO ON SEPT. 13, 2022

One thousand four hundred eighty (1480) Narra seedlings, Batino seedlings and Kawayan Cuttings were planted at Brgy. Pinagturilan, Sta. Cruz, Occidental Mindoro on September 13, 2022 in a tree planting activity spearheaded by the Department of Interior and Local Government (DILG). The Department of Environment and Natural Resources (DENR) assisted in the said event by preparing the planting site and the seedlings/cuttings. Officials from the Provincial Government Office, Local Government Unit and heads and employees of the DILG, DENR, Department of Agriculture, Department of Public Works and Highways, Bureau of Fire, ASA Philippines Foundation Inc., Philippine National Police, and Provincial Disaster Risk Reduction and Management actively participated in the activity.

The program started with a prayer led by LMO II Wilfredo T. Aquino. Mayor Ernesto P. Torreliza of the municipality of Sta. Cruz gave his welcome remarks to the participants. He stated that he is very pleased that the vicinities of Carindan Lake is being rehabilitated since it became the planting site of various tree planting activity of different agencies.

Executive Assistant Rexel Tuscano who represented Governor Eduardo B. Gadiano stated that the Provincial Government of Occidental Mindoro is in support of environmental related activities. Mayor Dante C. Esteban, then shared the various environmental activities that they have been working on together with CENRO San Jose like the Bamboolution Project and the Mangrove Friday. The Bamboolution Project is a bamboo planting, monitoring and protection project focusing on the adoption of Anahawin river and the surrounding communities for its protection resilience. Meanwhile, Mangrove Friday is a mangrove expansion, protection, conservation and rehabilitation program scheduled every Friday.

Vice Mayor Edwin N. Mintu, encouraged everyone to participate or initiate alike activities to be a role model to other province. OIC Eddie D. Buen actively shared the programs of the Department of Agriculture and expressed enthusiasm in participating in the event. Provincial Director Juanito Olave, Jr of DILG, the lead agency for the event stated that

conducting events for the environment is not limited to one agency but engagement of various agencies, organizations and local government.

OIC Ernesto E. Tañada of DENR-PENRO, in behalf of ARD Donna Mayor-Gordove, delivered the closing remarks in which he explained the reason why the vicinities of the Carindan Lake was chosen as the tree planting site not only for this particular event but of the previous activities of PENRO. Rehabilitating the vicinities of the lake will help in conserving the wetland and hopefully it will be developed enough for eco-tourism. He gave a brief orientation to the participants on how to properly plant the seedlings/cuttings before the tree planting proper.
