Minamahal na Ginoo;

Ito po ay may kaugnayan sa inyong sulat sa ating mahal na Pangulong Ferdinand R. Marcos Jr. patungkol sa Ipilan Nickel Corporation dito sa bayan ng Brooke's Point, Palawan at ang aming tanggapan ay iyong pinadalhan din ng kopya.

Ayon po sa sulat inyong binabanggit ang pagpapatayo ng pier at paggawa ng access road ng nabanggit na kompanya na wala itong kaukulang permit mula sa mga ahensya ng gobyerno.

Nais po namin ipabatid na ang ahensya ng Department of Environment and Natural Resources (DENR)-MIMAROPA Region ay nag isyu ng Provisional Permit para sa Ipilan Nickel Corporation na iginawad ng aming Regional Executive Director noong June 1, 2022 na may lawak na 11.858 hektarya ng foreshore para gamitin sa causeway/industrial purposes na nasasakupan ng Barangay Maasin, Brooke's Point, Palawan.

Patungkol na naman po sa binabanggit mo na Access Road, ang tanggapan ng DENR-MIMAROPA Region ay nag isyu din ng Special Land Use Permit para sa Ipilan Nickel Corporation na iginawad din ng aming Regional Executive Director noong March 17, 2022 na may kabuuang lawak na 8.2189 hektarya ng public forestland na matatagpuan sa Barangay Maasin, Brooke's Point, Palawan

Inaasahan namin na kayo ay nabigyan ng tamang impormasyon.

Maraming Salamat.

Lubos na gumagalang,

CONRADO M. CORPUZ

Dear H.E. Hon. President Ferdinand Marcos Jr.

Ako po ay muling sumulat sa inyong tanggapan dahil sa GARAPALANG ginagawa ng Ipilan Nickel Mining (INC) sa bayan ng Brooke's Point, Palawan.

Matagal na po itong inirereklamo ng mamayan ng Brooke's Point at maging ang Mayor po. Pinasuspendi nila ang Mayor upang ipakita nila sa mga tao ng Brooke's Point na malakas sila at makapangyarihan at maraming binabayaran mga tao sa gobyerno upang mapanatili sila sa lugar na iyon KAHIT KALIWA AT KANANG PAGLABAG NA SA BATAS ang kanilang GINAGAWA ay wala pa ring AKSYON na IPASARA SILA NG TULUYAN kahit BINABABOY NA NILA ANG BATAS at Ahensya ng GOBYERNO ay wala paring aksyon ang mga nararapat na umakasyon.

Maging ako man po na ilang beses na sumulat at nakipag ugnayan sa ahensya ng gobyerno ay nakatanggap ng pagbabanta sa aking buhay at ilang beses na akong pinasubaybayan sa riding in tandem dito sa aming lugar.

Maging ang pangalan ko ay pinahanap pa sa tatlong munisipyo sa COMELEC kung ako po ba ay talagang nag-e-exist. Hanggang kanila nila akong natutun at pinasubaybayan sa riding in tandem. Gusto nila akong takutin at patahimikin upang di na ako muling makapagsulat at lumapit sa kinauukulan upang makita ninyo kung PAPANO ka GARAPALAN ang ginagawa ng Ahensya nag ating gobyerno na GINAGAWANG pag BEYBI sa nasabing Minahan.

Ang mga ahensya ng gobyernong ito ay dapat na kasuhan ng CULPABLE at Betrayal of Public Trust dahil sa pagiging BINGI at BULAG kung may aksyon man ay pakitang TAO lamang.

Hindi rin nila pweding sabihin na pumayag na ang ilan sa mga CHIEFTAIN ng katutubo, dahil bago pa ito PUMAYAG ay NASIRA NA NILA ANG KALIKASAN na dapat ay HINDI NILA GINALAW.

Nagtayo sila ng Access Road ng walang kaukulang PERMIT mula sa mga katutubo or NCIP. Nagtayo sila ng PORT ng walang ECC, DENR Permit for Offshore lease, walang kahit ano mang papeles para makapag tayo ng PORT sa lugar kung saan sila nag tayo.

Ito pa lamang ay isa nang SAMPAL sa gobyerno at sa ahensyang nagmo-monitor dito. Nung nagka bistohan na, biglang nag issue ang DENR Brooke's Point ng Cease and Desist Order laban sa Ipilan Nickel Mining (INC) subalit ang dapat dito ay mag hain ng kaukulang kaso ang DENR Brooke's Point at ang MIMAROPA DENR ng kaso laban sa INC dahil sa paglabag na ito.

Isa itong malaking VIOLATION sa kanilang kompanya at GROUND of REVOCATION of their Privilege and rights to mine the area.

Akalain mo na nagtayo ka ng PIER ng wala kahit anong papel??? Ano tingin mo sa bayan ng Brooke's Point mga uncivilized people at ignorante?? Eh papano pa ang ahensya ng Gobyernong humawak nito, ano tingin nila dito, mga WALANG PINAG ARALAN at mga IGNORANTE rin? at BAYARAN lang?

Oh baka naman may nag bigay ng GO SIGNAL sa INC galing sa ahensya ng gobyerno para gawin ang mga pagtatayo ng Pier at paglalagay ng Access Road ng wala kahit anong dokumento... hindi naman maglalakas ng loob ang mga yan kung walang Go Signal.

Kung hindi man galing sa DENR at galing sa mga Politiko eh mas dapat pang KUMILOS ang DENR para kasuhan ang Kompanya upang sila ay mapatigil.

Espesyal ang SEP Law dito sa Palawan dahil sa ang Palawan ay hindi angkop para MINAHIN, maaaring tama na ang sa RTN.

Ang Brooke's Point ay ang Fruit Basket of Palawan na ngayon ay magiging Laterite Basket of Palawan na. Ang ihahain sa hapag kainan ay ang Sinabawang Baha na kulay Pula, at mga bahay na lumulutang dahil pinagpuputi na

ang mga puno sa gubat!

Nakakalungkot walang may lakas ng LOOB sa ahensya ng Gobyerno na alisan na sila ng karaptan na mag mina sa lugar sa dami ng kanilang mga VIOLAION na pinagtatakpan (BUREAUCRACY).

Sana aming makita na ang Gobyerno naririryan at kapanalig ng mga tao.

Salamat po

Jonathan Miano Jr.

P.S.

paumanhin kung minsan ako ay nakakapagsalita na dala lamang ng bugso ng aking damdamin.
